Patrol Officer (BS-14), National Highways & Motorways Police — 2018 · Solved Past Paper

Body: Federal Public Service Commission (FPSC) · **Post:** Patrol Officer (BS-14), National Highways & Motorways Police · **Year:** 2018 · **Questions:** 100 in the original paper — **98 solved and verified**, 1 excluded as defective (Q67), 1 unrecoverable (Q62) · **Price:** Free

> **How to use this paper:** each question shows the stem, the four options, and the correct answer. Click “Why each option?” under a question to see all four options explained — one question teaches four topics. General Knowledge answers are as of the 2018 sitting.

Source note: Imtiaz Shahid book, 50th edition, Model Paper 123 (FPSC Patrol Officer in National Highway & Motorway Department BS-14, 2018, 100 questions), Scribd doc 502354168, viewer pages 542-546 (printed pp. 549-553), fetched 14 Nov 2026. Test date 15 July 2018 (fpscmcqs.com / asanmcqs.com). The printed Answer Key IS present (Q1-80 bottom of printed p.552, Q81-100 top of printed p.553); NO letter for Q26 and Q93 (blank); NO letter for Q62 (question absent). 10 printed-key corrections: Q5 c->B (Trump elected 8 Nov 2016, Wikipedia/Britannica), Q7 c->B (Begum Shaista Ikramullah, first woman to represent Pakistan at the UN, Wikipedia), Q16 a->D (Jordan, Saudi Arabia and Britain are all monarchies), Q32 a->D (Jordan's band performed 23 Mar 2018, Islamabad Scene; Turkish band performed 2017), Q33 d->A (Alauddin Marri caretaker CM Balochistan 8 Jun-18 Aug 2018; test 15 Jul 2018), Q41 c->B (sugarcane 18 MAF/yr vs rice 14 MAF, PCRWR; competing study Usman et al. 2015 noted), Q59 b->C (jizya is a per capita yearly tax on non-Muslim subjects, Wikipedia), Q66 c->B (atom bomb radiates gamma rays, US DOE/OSTI, Glasstone & Dolan ch. VIII), Q74 a->B (Tarbela 14 units before 4th extension, POWERCHINA/SASAC, Dawn 15 Sep 2018), Q78 a->C (water densest at 4 deg C sinks to

ous Expeditions/EarthDate). 2 PICK-ONE: Q26 C (Adverb, 'enough' modifies 'good'), Q93 A (Exclamation). 1 DEFECTIVE-excluded: Q67 (options are hydrogen/oxygen atom counts, do not match the magnetised-steel-bar stem). 1 GAP: Q62 (entirely absent, numbering jumps 61->63). Q53 has only THREE options printed (A-C, no D) — filed as printed. Q72 option (C) 36 is not in the stem's list (8, 16, 24, 34, 40, 48...); filed B (34), the only number not divisible by 8. Q90 filed A (Direct object; whole sentence underlined in print, a print defect). Dedup 14 Nov 2026: CLEAN — vs live testkaro 2018 Patrol Officer banks (fpsc-patrol-officer-motorway-2018, fpsc-patrol-motorway-officer-2018, fpsc-patrol-officer-motorway-2018-batch4): 0 exact, 0 first-8-words, 22/14/22 fuzzy >=0.55, 0 >=0.90; vs 37bfe Batch 1 book paper: 14 fuzzy >=0.55, 0 >=0.90; vs 37bff Batch 2 book paper: 13 fuzzy >=0.55, 0 >=0.90; vs live testkaro Batch 2 bank (fpsc-patrol-officer-motorway-2019-batch2): 1 fuzzy >=0.55, 0 >=0.90; vs live Inspector ASF papers: 10-19 fuzzy >=0.55, 0 >=0.90. Distinct sitting artefact (verbatim printed book paper vs self-disclaimed reworded practice banks); proceed per the 37bfe/37bff precedent. The live testkaro papers are NOT touched.

Question 1 General Knowledge / Current affairs

Which team of 3rd PSL won the final trophy of 2018 in Karachi?

- A. Islamabad ✓ **Correct answer**
- B. Quetta
- C. Karachi
- D. None of these

A. Correct: Islamabad United won the 2018 PSL final in Karachi, beating Peshawar Zalmi.

B. Wrong: Quetta Gladiators did not win the 2018 final.

C. Wrong: Karachi Kings did not win the 2018 final.

D. Wrong: option A is correct, so 'None of these' fails.

2 General Knowledge / Current affairs

Which country's Head attended Pakistan's day's parade on 23rt March 2018 [as printed: "23rt"]

- A. Saudi King
- B. Turkish President
- C. Sri Lankan President ✓ **Correct answer**
- D. None of these

A. Wrong: the Saudi King did not attend the 23 March 2018 parade.

B. Wrong: the Turkish President did not attend the 23 March 2018 parade.

C. Correct: Sri Lankan President Maithripala Sirisena was the guest of honour at the 23 March 2018 Pakistan Day parade in Islamabad (Islamabad Scene, 23 Mar 2018).

D. Wrong: option C is correct, so 'None of these' fails.

Question 3 General Knowledge / Current affairs

Who was the previous chairman senate of Pakistan before the current one

- A. Raza Rabbani ✓ **Correct answer**
- B. Raja Zafar-ul-Haq
- C. Aleem Mandviwilla
- D. None of these

A. Correct: Raza Rabbani was Chairman of the Senate (2015-2018) before Sadiq Sanjrani took over in March 2018.

B. Wrong: Raja Zafar-ul-Haq was Leader of the House in the Senate, not Chairman.

C. Wrong: no such Senate Chairman as 'Aleem Mandviwilla' (the print's spelling is filed as printed).

D. Wrong: option A is correct, so 'None of these' fails.

4 General Knowledge / Current affairs

Who is the current Secretary General of UN?

- A. Ban ki Moon
- B. Antonio Guterres ✓ **Correct answer**
- C. Koofi Annan
- D. None of these

A. Wrong: Ban Ki-moon's term as UN Secretary-General ended on 31 December 2016.

B. Correct: Antonio Guterres has been UN Secretary-General since 1 January 2017.

C. Wrong: Kofi Annan was Secretary-General 1997-2006.

D. Wrong: option B is correct, so 'None of these' fails.

Question 5 General Knowledge / Current affairs

The current US President Donald trump was elected in:

- A. 2015
- B. 2016 ✓ **Correct answer**
- C. 2017
- D. None

A. Wrong: there was no US presidential election in 2015.

B. Correct: Donald Trump was elected President on 8 November 2016 (Wikipedia '2016 United States presidential election'; Britannica). PRINTED-KEY CORRECTION: the printed key says C (2017) — 2017 is the year he took office (20 January 2017), not the year he was elected.

C. Wrong: 2017 is the year of his inauguration, not his election.

D. Wrong: option B is correct, so 'None' fails.

6 General Knowledge / Current affairs

Who is the present king of Saudi Arabia?

- A. King Salman ✓ **Correct answer**
- B. King Abdullah
- C. King talal Bin Abdu-aziz
- D. None

A. Correct: King Salman bin Abdulaziz has been King of Saudi Arabia since 23 January 2015.

B. Wrong: King Abdullah died on 23 January 2015.

C. Wrong: Prince Talal bin Abdulaziz was never King of Saudi Arabia.

D. Wrong: option A is correct, so 'None' fails.

Question 7 General Knowledge / Current affairs

Who was the first lady representative of Pakistan in UN?

- A. Rana Liaquat Ali
- B. Begum Shaista Ikramullah ✓ **Correct answer**
- C. Maliha Lodhi
- D. None of these

A. Wrong: Begum Rana Liaquat Ali was a diplomat and governor, not Pakistan's first woman representative at the UN.

B. Correct: Begum Shaista Ikramullah was the first woman to represent Pakistan at the United Nations — a delegate to the UN in 1948, working on the Universal Declaration of Human Rights (Wikipedia). PRINTED-KEY CORRECTION: the printed key says C (Maliha Lodhi) — Lodhi was Permanent Representative 2015-2019, not the first woman representative.

alina Lodhi was Permanent Representative of Pakistan to the UN (2015-2019), not the first woman representative.

D. Wrong: option B is correct, so 'None of these' fails.

Question 8 General Knowledge / Current affairs

Since 2018 President of peoples Republic of China is new elected for a term of: [as printed: "new"; possibly intended "now"]

- A. 5 years
- B. 6 years
- C. unlimited ✓ **Correct answer**
- D. None of these

A. Wrong: the 2018 constitutional amendment removed the two-term limit, so the term is no longer capped at 5 years.

B. Wrong: there is no 6-year presidential term in China.

C. Correct: in March 2018 China removed the two-term limit on the presidency, so Xi Jinping's tenure is effectively unlimited.

D. Wrong: option C is correct, so 'None of these' fails.

Question 9 General Knowledge / Current affairs

Who is the Prime Minister of Britain?

- A. Therresa May [as printed] ✓ **Correct answer**
- B. David Cameron
- C. Gordon Brown
- D. None of these

A. Correct: Theresa May was Prime Minister of the United Kingdom from 13 July 2016 to 24 July 2019. (The stem prints 'Therresa May' — filed as printed.)

avid Cameron was Prime Minister until 13 July 2016.

C. Wrong: Gordon Brown was Prime Minister 2007-2010.

D. Wrong: option A is correct, so 'None of these' fails.

Question 10 General Knowledge / Pakistan Studies

When Pakistan Purchased Gwader from Oman?

- A. 1958 ✓ **Correct answer**
- B. 1954
- C. 1953
- D. None of these

A. Correct: Pakistan purchased Gwadar from Oman on 8 September 1958 for 3 million pounds. (The stem prints 'Gwader' — filed as printed.)

B. Wrong: Gwadar was not purchased in 1954.

C. Wrong: Gwadar was not purchased in 1953.

D. Wrong: option A is correct, so 'None of these' fails.

Question 11 General Knowledge / Current affairs

WTO stands for:

- A. World Transport organization
- B. Women travelers organization
- C. World trade organization ✓ **Correct answer**
- D. None of above

A. Wrong: there is no 'World Transport Organization' by that name.

B. Wrong: there is no 'Women travelers organization'.

WTO stands for the World Trade Organization.

D. Wrong: option C is correct, so 'None of above' fails.

Question 12 General Knowledge / Current affairs

Balochsitan's newly emerged political party is: [as printed: "Balochsitan's"]

- A. Baloch Pakistan National Party
- B. Balochistan National Party
- C. Balochistan Awami Party ✓ **Correct answer**
- D. None of above

A. Wrong: there is no party of this name in the 2018 context.

B. Wrong: the Balochistan National Party is an older party (founded 2003), not the newly emerged one of 2018.

C. Correct: the Balochistan Awami Party (BAP) was formed in March 2018, just before the 2018 elections.

D. Wrong: option C is correct, so 'None of above' fails.

Question 13 General Knowledge / Sports

T20 cricket Matches between Pakistan and West Indies were played in April 2018 in:

- A. Karachi ✓ **Correct answer**
- B. Lahore
- C. Hyderabad
- D. None

A. Correct: the three T20Is between Pakistan and West Indies in April 2018 were all played at the National Stadium, Karachi.

B. Wrong: the April 2018 series was not played in Lahore.

e April 2018 series was not played in Hyderabad.

D. Wrong: option A is correct, so 'None' fails.

Question 14 General Knowledge / Current affairs

Total members of US senate is:

- A. 100 ✓ **Correct answer**
- B. 102
- C. 104
- D. None of these

A. Correct: the United States Senate has 100 members — two from each of the 50 states.

B. Wrong: the Senate does not have 102 members.

C. Wrong: the Senate does not have 104 members.

D. Wrong: option A is correct, so 'None of these' fails.

Question 15 General Knowledge / Current affairs

Football is the most popular game is:

- A. Europe ✓ **Correct answer**
- B. USA
- C. South Asia
- D. None of these

A. Correct: football (soccer) is the most popular game in Europe.

B. Wrong: in the USA the most popular games are American football, baseball and basketball — not soccer.

C. Wrong: in South Asia the most popular game is cricket, not football.

otion A is correct, so 'None of these' fails.

Question 16 General Knowledge / Current affairs

Which of the following country is republic?

- A. Jordan
- B. Saudi Arabia
- C. Britain
- D. None of these ✓ **Correct answer**

A. Wrong: Jordan is a constitutional monarchy (the Hashemite Kingdom of Jordan), not a republic.

B. Wrong: Saudi Arabia is a monarchy (the Kingdom of Saudi Arabia), not a republic.

C. Wrong: Britain (the United Kingdom) is a constitutional monarchy, not a republic.

D. Correct: none of Jordan, Saudi Arabia or Britain is a republic, so 'None of these' is the answer. PRINTED-KEY CORRECTION: the printed key says A (Jordan).

Question 17 General Knowledge / Sports

ICC champion Trophy 2017 was held in:

- A. Australia
- B. Britain ✓ **Correct answer**
- C. Sri Lanka
- D. None of these

A. Wrong: the 2017 Champions Trophy was not held in Australia.

B. Correct: the 2017 ICC Champions Trophy was held in England and Wales (Britain) in June 2017; Pakistan won it.

C. Wrong: the 2017 Champions Trophy was not held in Sri Lanka.

otion B is correct, so 'None of these' fails.

Question 18 General Knowledge / Geography

Manchar Lake is located near

- A. Sehwan Sharif ✓ **Correct answer**
- B. Uch Sharif
- C. Taunsa Sharif
- D. None of these

A. Correct: Manchar Lake, the largest freshwater lake in Pakistan, lies near Sehwan Sharif in Sindh.

B. Wrong: Uch Sharif is in Punjab, not near Manchar Lake.

C. Wrong: Taunsa Sharif is in Punjab, not near Manchar Lake.

D. Wrong: option A is correct, so 'None of these' fails.

Question 19 General Knowledge / Current affairs

Baseball is the most popular game is

- A. East Europe
- B. USA ✓ **Correct answer**
- C. South Asia
- D. None of these

A. Wrong: baseball is not the most popular game in Eastern Europe.

B. Correct: baseball is the most popular game in the USA (with American football).

C. Wrong: in South Asia the most popular game is cricket, not baseball.

D. Wrong: option B is correct, so 'None of these' fails.

20 General Knowledge / Current affairs

In Pakistan, the number of tax payers and return filers is less than

- A. 1.3 million ✓ **Correct answer**
- B. 2.00 million
- C. 2.5 million
- D. None of these

A. Correct: total income tax return filers stood at 1.238 million as of 15 February 2018 (FBR figures reported in The Express Tribune, 21 February 2018) — less than 1.3 million, the tightest correct bound.

B. Wrong as the filed answer: 2.00 million is also numerically true, but it is not the tightest bound — the filers were about 1.24 million, so (A) is the intended answer.

C. Wrong as the filed answer: 2.5 million is also numerically true, but it is not the tightest bound.

D. Wrong: option A is correct, so 'None of these' fails.

Question 21 General Knowledge / Constitution

The tenure of the office of a senator in Pakistan is

- A. 4 years
- B. 5 years
- C. 6 years ✓ **Correct answer**
- D. None of these

A. Wrong: a senator's term is not 4 years.

B. Wrong: a senator's term is not 5 years.

C. Correct: under the Constitution of Pakistan, a senator serves a six-year term.

D. Wrong: option C is correct, so 'None of these' fails.

22 General Knowledge / Constitution

18th Amendment in the constitution of Pakistan was passed in

- A. 2009
- B. 2010 ✓ **Correct answer**
- C. 2011
- D. None of these

A. Wrong: the 18th Amendment was not passed in 2009.

B. Correct: the 18th Amendment was passed by Parliament in April 2010.

C. Wrong: the 18th Amendment was not passed in 2011.

D. Wrong: option B is correct, so 'None of these' fails.

Question 23 General Knowledge / Pakistan Studies

When the first General elections were held under the constitution of 1956

- A. 1956
- B. 1957
- C. Never ✓ **Correct answer**
- D. None of these

A. Wrong: no general election was held in 1956 under the 1956 Constitution.

B. Wrong: no general election was held in 1957 under the 1956 Constitution.

C. Correct: no general election was ever held under the 1956 Constitution — it was abrogated in October 1958, before any election under it.

D. Wrong: option C is correct, so 'None of these' fails.

24 English / Parts of speech

I like the new book [the word "new" is underlined]

- A. Article
- B. Adjective ✓ **Correct answer**
- C. Adverb
- D. None of these

A. Wrong: 'new' is not an article (a, an, the).

B. Correct: 'new' describes the noun 'book', so it is an adjective.

C. Wrong: 'new' does not modify a verb, adjective or adverb, so it is not an adverb.

D. Wrong: option B is correct, so 'None of these' fails.

Question 25 English / Parts of speech

She laughed heartily [the word "laughed" is underlined]

- A. intransitive verb ✓ **Correct answer**
- B. Transitive verb
- C. Adverb
- D. None of these

A. Correct: 'laughed' takes no object here — she laughed (at nothing in the sentence), so it is an intransitive verb.

B. Wrong: a transitive verb needs an object; 'laughed' has none here.

C. Wrong: 'heartily' is the adverb in this sentence, not 'laughed'.

D. Wrong: option A is correct, so 'None of these' fails.

26 English / Parts of speech

This is good enough. [the word "enough" is underlined]

- A. Noun
- B. Adjective
- C. Adverb ✓ **Correct answer**
- D. None of these

A. Wrong: 'enough' is not a noun here.

B. Wrong as the filed answer: 'enough' can be an adjective ('enough money'), but here it follows and modifies the adjective 'good', so it is not an adjective here.

C. Correct (filed): 'enough' modifies the adjective 'good' ('good enough'), so it functions as an adverb. (PICK-ONE: the printed Answer Key has NO letter for Q26 — blank. Decided by the assistant under the owner's 8 Nov 2026 delegation.)

D. Wrong: option C is correct, so 'None of these' fails.

Question 27 General Knowledge / Current affairs

When the senate Elections 2018 held in Pakistan?

- A. 1st March, 2018
- B. 2nd March 2018
- C. 3rd March 2018 ✓ **Correct answer**
- D. None of these

A. Wrong: the 2018 Senate elections were not held on 1 March 2018.

B. Wrong: the 2018 Senate elections were not held on 2 March 2018.

C. Correct: the Senate elections were held on 3 March 2018.

D. Wrong: option C is correct, so 'None of these' fails.

28 General Knowledge / Current affairs

Who is the permanent representative of Pakistan in United nations

- A. Aizaz Ahmed Chaudhry
- B. Masood Khan
- C. Maleeha Lodhi ✓ **Correct answer**
- D. None of these

A. Wrong: Aizaz Ahmed Chaudhry was Foreign Secretary, not Permanent Representative to the UN in 2018. (Q7 spells the same name 'Maliha Lodhi'; Q28 spells it 'Maleeha Lodhi' — both filed as printed.)

B. Wrong: Masood Khan was Permanent Representative earlier (2012-2015).

C. Correct: Maleeha Lodhi was Pakistan's Permanent Representative to the United Nations from 2015 to 2019.

D. Wrong: option C is correct, so 'None of these' fails.

Question 29 General Knowledge / Sports

Who is the winner of champions Trophy?

- A. Pakistan ✓ **Correct answer**
- B. India
- C. Australia
- D. None of these

A. Correct: Pakistan won the 2017 ICC Champions Trophy, beating India in the final at The Oval.

B. Wrong: India lost the 2017 Champions Trophy final to Pakistan.

C. Wrong: Australia did not win the 2017 Champions Trophy.

D. Wrong: option A is correct, so 'None of these' fails.

30 General Knowledge / Current affairs

Name the president of Russia second term?

- A. Vladimir Putin ✓ **Correct answer**
- B. Dmitry Medev [as printed, truncated]
- C. Boris yelston
- D. None of these

A. Correct: Vladimir Putin is the President of Russia (his second term was 2004-2008; he returned as President in 2012 and was re-elected in 2018).

B. Wrong: Dmitry Medvedev was President 2008-2012, between Putin's terms.

C. Wrong: Boris Yeltsin was Russia's first President (1991-1999).

D. Wrong: option A is correct, so 'None of these' fails.

Question 31 General Knowledge / Current affairs

UK Prime Minister belong to which political party

- A. Cooperative party
- B. Conservative party ✓ **Correct answer**
- C. Democratic unionist party
- D. None of above

A. Wrong: the Co-operative Party is a separate minor party, not the Prime Minister's party.

B. Correct: Theresa May, Prime Minister in 2018, belonged to the Conservative Party.

C. Wrong: the Democratic Unionist Party only supported the Conservatives in Parliament; the Prime Minister was not a DUP member.

D. Wrong: option B is correct, so 'None of above' fails.

32 General Knowledge / Current affairs

Which country band performed in 23rd March 2018 celebrations?

- A. Turkish
- B. Chinese
- C. Saudi Arabia
- D. None of these ✓ **Correct answer**

A. Wrong: the Turkish Mehter band performed at the 2017 parade, not the 2018 one.

B. Wrong: no Chinese band performed at the 23 March 2018 parade (Chinese troops took part in 2017).

C. Wrong: no Saudi band performed at the 23 March 2018 parade (Saudi troops took part in 2017).

D. Correct: the band that performed at the 23 March 2018 parade was Jordan's military band — 'Jordan's military band performance was highly appreciated by the audience as they performed on Pakistan's song' (Islamabad Scene, 23 March 2018) — and Jordan is not among the options, so 'None of these' is the answer. PRINTED-KEY CORRECTION: the printed key says A (Turkish).

Question 33 General Knowledge / Current affairs

Who is the Chief Minister of Balochistan?

- A. Allaudin Marri ✓ **Correct answer**
- B. Abdul Qdees Bizenjo
- C. Sana Ullah Zahra
- D. None of above

A. Correct: Alauddin Marri was caretaker Chief Minister of Balochistan from 8 June to 18 August 2018, and the test was taken on 15 July 2018 (fpscmcqs.com / asanmcqs.com: 'FPSC Patrol Officer taken on 15-7-2018'). PRINTED-KEY CORRECTION: the printed key says

bove).

B. Wrong: Abdul Quddus Bizenjo was Chief Minister until 7 June 2018 — he had left office before the 15 July 2018 test. (The stem prints 'Abdul Qdees Bizenjo' — filed as printed.)

C. Wrong: Sanaullah Zehri was Chief Minister until January 2018.

D. Wrong: option A is correct, so 'None of above' fails.

Question 34 General Knowledge / Current affairs

Who is the commander in chief of 41 countries Islamic Military

- A. Gen Qamer Bajwa
- B. Raheel Sharif ✓ **Correct answer**
- C. Musharaf
- D. None

A. Wrong: General Qamar Javed Bajwa was Chief of Army Staff of Pakistan, not commander of the Islamic Military Counter Terrorism Coalition.

B. Correct: General (retd) Raheel Sharif is the commander-in-chief of the 41-nation Islamic Military Counter Terrorism Coalition, appointed in 2017.

C. Wrong: Pervez Musharraf was never commander of this coalition.

D. Wrong: option B is correct, so 'None' fails.

Question 35 General Knowledge / Current affairs

How many members in SAARC?

- A. 6
- B. 7
- C. 8 ✓ **Correct answer**
- D. 9

SAARC does not have 8 members.

B. Wrong: SAARC does not have 7 members (it had 7 before Afghanistan joined in 2007).

C. Correct: SAARC has 8 members — Afghanistan, Bangladesh, Bhutan, India, Maldives, Nepal, Pakistan and Sri Lanka.

D. Wrong: SAARC does not have 9 members.

Question 36 Everyday Science / Biology

Pencilen was discovered by [as printed: "Pencilen"]

- A. Alexander Fleming ✓ **Correct answer**
- B. Laius Pasture
- C. Jabir Bin Khayna
- D. None of these

A. Correct: penicillin was discovered by Alexander Fleming in 1928. (The stem prints 'Pencilen' — filed as printed.)

B. Wrong: Louis Pasteur worked on germs and vaccines, not penicillin. (The stem prints 'Laius Pasture' — filed as printed.)

C. Wrong: Jabir ibn Hayyan worked on chemistry and alchemy, not penicillin. (The stem prints 'Jabir Bin Khayna' — filed as printed.)

D. Wrong: option A is correct, so 'None of these' fails.

Question 37 English / Grammar

The plural of child

- A. Childs
- B. Children ✓ **Correct answer**
- C. Childish

A. Wrong: 'childs' is not the plural of 'child'.

B. Correct: the plural of 'child' is 'children'.

C. Wrong: 'childish' is an adjective, not the plural of 'child'.

D. Wrong: option B is correct, so 'None of these' fails.

Question 38 General Knowledge / Pakistan Studies

Last Governor General of Pakistan

- A. Sikander Mirza ✓ **Correct answer**
- B. Quaid-e-Azam
- C. Khawaja Nazimuddm [as printed]
- D. Ch. Ghulam Muhammad

A. Correct: Iskander Mirza was the last Governor-General of Pakistan (1955-1956); the office ended when Pakistan became a republic in 1956.

B. Wrong: Quaid-e-Azam Muhammad Ali Jinnah was the FIRST Governor-General (1947-1948).

C. Wrong: Khawaja Nazimuddin was the second Governor-General (1948-1951).

D. Wrong: Chaudhry Ghulam Muhammad was the third Governor-General (1951-1955).

Question 39 General Knowledge / Pakistan Studies

How many seasons in Pakistan?

- A. 1
- B. 2
- C. 3
- D. 4 ✓ **Correct answer**

akistan does not have only one season.

B. Wrong: Pakistan does not have only two seasons.

C. Wrong: Pakistan does not have only three seasons.

D. Correct: Pakistan has four seasons — spring, summer, autumn and winter.

Question 40 General Knowledge / Sports

Which country hosted FIFA world cup 2018

- A. France
- B. Russia ✓ **Correct answer**
- C. Germany
- D. None of above

A. Wrong: France won the 2018 World Cup but did not host it.

B. Correct: Russia hosted the 2018 FIFA World Cup.

C. Wrong: Germany hosted the 2006 World Cup, not 2018.

D. Wrong: option B is correct, so 'None of above' fails.

Question 41 General Knowledge / Agriculture

Which crop absorbed most water.

- A. Wheat
- B. Sugar cane ✓ **Correct answer**
- C. Rice
- D. Cotton

A. Wrong: wheat needs far less water than sugarcane or rice.

B. Correct: sugarcane is the most water-absorbing crop in Pakistan — it consumes about

igation water a year, against about 14 MAF for rice, and needs 1,500-2,500 mm of water per cycle (PCRWR, via Riphah / Business Recorder, 'Pakistan's water crisis: the cost of sugarcane and rice'). PRINTED-KEY CORRECTION: the printed key says C (Rice). Note: one canal-system study (Usman et al., Journal of Hydrology 2015) found consumptive use nearly equal — rice 593 mm, sugarcane 580 mm — but the national totals and requirement ranges favour sugarcane.

C. Wrong as the filed answer: rice is also very water-intensive, but in Pakistan sugarcane consumes more water overall (18 MAF vs 14 MAF).

D. Wrong: cotton needs less water than sugarcane or rice.

Question 42 Everyday Science / Biology

Roots gets food from

- A. Stem
- B. Buds
- C. Soil ✓ **Correct answer**
- D. None of these

A. Wrong: the stem does not feed the roots — it carries food made in the leaves.

B. Wrong: buds do not feed the roots.

C. Correct: roots absorb water and minerals (food materials) from the soil.

D. Wrong: option C is correct, so 'None of these' fails.

Question 43 Everyday Science / Chemistry

Fire extinguishing gas is:

- A. O2
- B. NH3
- C. CO2 ✓ **Correct answer**

A. Wrong: oxygen (O2) supports burning; it does not extinguish fire.

B. Wrong: ammonia (NH3) is not the gas used in fire extinguishers.

C. Correct: carbon dioxide (CO2) is the gas used in fire extinguishers — it smothers the flame by displacing oxygen.

D. Wrong: option C is correct, so 'None' fails.

Question 44 Everyday Science / Chemistry

Which gas is poisonous for human.

- A. Hydrogen chloride ✓ **Correct answer**
- B. CO2
- C. NH3
- D. None of above

A. Correct: hydrogen chloride (HCl) is a poisonous gas — the textbook 'poisonous gas' answer.

B. Wrong as the filed answer: carbon dioxide is harmful in high concentrations, but it is not the gas named as poisonous in this question's sense.

C. Wrong as the filed answer: ammonia is irritant and toxic, but hydrogen chloride is the intended answer.

D. Wrong: option A is correct, so 'None of above' fails.

Question 45 Everyday Science / Chemistry

Which gas is used in Air conditioner?

- A. Amunica Gas [as printed]
- B. Hydrogen

on gas ✓ **Correct answer**
- D. Nitrogen

A. Wrong: ammonia is used in large industrial refrigeration, not as the standard air-conditioner gas named here. (The stem prints 'Amunica Gas' — filed as printed.)

B. Wrong: hydrogen is not used as an air-conditioner refrigerant.

C. Correct: Freon (a chlorofluorocarbon) is the refrigerant gas used in air conditioners.

D. Wrong: nitrogen is not used as an air-conditioner refrigerant.

Question 46 Everyday Science / Biology

Which gas plants and trees absorb in day time?

- A. O2
- B. CO2 ✓ **Correct answer**
- C. Hydrogen
- D. Both a + b

A. Wrong: plants release oxygen in the daytime; they do not absorb it for photosynthesis.

B. Correct: in the daytime plants absorb carbon dioxide (CO2) for photosynthesis.

C. Wrong: plants do not absorb hydrogen gas.

D. Wrong: only (B) fits, so 'Both a + b' fails.

Question 47 Everyday Science / Physics

Apple fell down due to which law?

- A. Law of Motion
- B. Law of Inertia
- C. Law of gravity ✓ **Correct answer**
- D. None of these

e apple's fall is not explained by the laws of motion alone.

B. Wrong: the law of inertia is about a body staying at rest or in uniform motion, not about falling.

C. Correct: the apple fell because of the law of gravity (Newton's law of universal gravitation).

D. Wrong: option C is correct, so 'None of these' fails.

Question 48 Everyday Science / General Science

Astrology is the science of.

- A. Movement and relative positions of celestial bodies ✓ **Correct answer**
- B. Study of the origin evolution and eventual fate of universe.
- C. Study and classification of organism
- D. None of these

A. Correct: astrology is defined as the study of the movements and relative positions of celestial bodies and their supposed influence on human affairs.

B. Wrong: the study of the origin, evolution and eventual fate of the universe is cosmology.

C. Wrong: the study and classification of organisms is taxonomy/biology.

D. Wrong: option A is correct, so 'None of these' fails.

Question 49 Everyday Science / Biology

Parasitic plants get food from

- A. From the host plant ✓ **Correct answer**
- B. From the soul [as printed; presumably intended "soil"]
- C. From other plants

A. Correct: parasitic plants draw their food from the host plant they live on.

B. Wrong: parasitic plants do not draw food from the soil. (The stem prints 'From the soul' — filed as printed; presumably intended 'soil'.)

C. Wrong as the filed answer: 'from other plants' is vaguer than (A) — the food comes specifically from the host plant.

D. Wrong: option A is correct, so 'None of above' fails.

Question 50 General Knowledge / Pakistan Studies

Last census in Pakistan in:

- A. March 2017 ✓ **Correct answer**
- B. April 2017
- C. Feb, 2017
- D. August 2017

A. Correct: Pakistan's sixth population census began on 15 March 2017 (the first phase ran March-April 2017).

B. Wrong: the census did not begin in April 2017.

C. Wrong: the census did not begin in February 2017.

D. Wrong: the census did not begin in August 2017.

Question 51 General Knowledge / Constitution

When cehsus should be held according to the constitution. [as printed: "cehsus"]

- A. After every 7 years
- B. After every 10 years ✓ **Correct answer**
- C. After every 15 years

A. Wrong: the Constitution does not require a census every 7 years.

B. Correct: under the Constitution of Pakistan, a population census is to be held once every ten years.

C. Wrong: the Constitution does not require a census every 15 years.

D. Wrong: the Constitution does not require a census every 20 years.

Question 52 General Knowledge / Agriculture

Which one is known as cash crop?

- A. Rice
- B. Grams
- C. Cotton ✓ **Correct answer**
- D. Wheat

A. Wrong: rice is a food crop, not the cash crop named here.

B. Wrong: grams (chickpeas) are a food crop, not the cash crop named here.

C. Correct: cotton is Pakistan's main cash crop.

D. Wrong: wheat is a food crop, not the cash crop named here.

Question 53 Islamiat / Seerah

Treaty of Hudaybiyyah was between.

- A. Banu Naseer and Banu Qeneqa
- B. Hazrat Muhammad (SAW) and Quresh tribe of Makkah ✓ **Correct answer**
- C. Quresh and Banu Adil

A. Wrong: the Treaty of Hudaybiyyah was not between these two Jewish tribes.

The Treaty of Hudaybiyyah (6 AH / 628 AD) was agreed between the Holy Prophet Muhammad (SAW) and the Quresh tribe of Makkah.

C. Wrong: the treaty was not between the Quresh and Banu Adil. (PRINT DEFECT: only three options are printed, (A)-(C); no (D) appears. Filed as printed.)

Question 54 Islamiat / Quran

In which Surah of the Holy Quran the back biter condmned [as printed: "condmned"]

- A. Munafiqun
- B. Humaza ✓ **Correct answer**
- C. Nuhu
- D. Zalzala

A. Wrong: Surah Al-Munafiqun is about the hypocrites, not the backbiter.

B. Correct: Surah Al-Humaza (104) condemns the backbiter and slanderer — 'Woe to every backbiter, slanderer'.

C. Wrong: Surah Nuh is about the Prophet Nuh, not the backbiter.

D. Wrong: Surah Az-Zalzala is about the earthquake, not the backbiter.

Question 55 Islamiat / Quran

In which surah the ablution is mentioned?

- A. Al-Noor
- B. Al-Qalam
- C. Nuhu
- D. Al-Maida ✓ **Correct answer**

A. Wrong: Surah An-Noor does not carry the ablution verse.

B. Wrong: Surah Al-Qalam does not carry the ablution verse.

Iran Nun does not carry the ablution verse.

D. Correct: the ablution (wudu) is prescribed in Surah Al-Ma'idah, verse 6.

Question 56 Islamiat / Khulafa

Which caliph fought against the claim of false prophet hood?

- A. Hazrat Ali RA
- B. Hazrat Abu Bakr RA ✓ **Correct answer**
- C. Hazrat Usman RA
- D. Hazrat Umer RA [as printed: "Umer"]

A. Wrong: Hazrat Ali (RA) did not fight the false-prophet claims.

B. Correct: Hazrat Abu Bakr (RA), the first Caliph, fought the Ridda wars against the false prophets (Musaylimah and others).

C. Wrong: Hazrat Usman (RA) did not fight the false-prophet claims.

D. Wrong: Hazrat Umar (RA) did not fight the false-prophet claims.

Question 57 Islamiat / Seerah

Who among the following prophet fought in Iran? [as printed; the options are Companions, not prophets]

- A. Hazrat Khalld Bin Waleed RA [as printed: "Khalld"]
- B. Hazrat Saad Bin Abi Waqas RA ✓ **Correct answer**
- C. Hazrat Zaid Bin Sabit RA
- D. None of above

A. Wrong: Hazrat Khalid bin Waleed (RA) fought in Iraq and Syria, not as the commander in Iran.

B. Correct: Hazrat Saad bin Abi Waqas (RA) commanded the Muslim army at Qadisiyyah

ia (Iran). (The stem calls the options 'prophet' — they are Companions; filed as printed.)

C. Wrong: Hazrat Zaid bin Sabit (RA) was a scribe of the revelation, not a commander in Iran.

D. Wrong: option B is correct, so 'None of above' fails.

Question 58 General Knowledge / Agriculture

In which province of Pakistan Peanut grows

- A. Rain fed areas of Punjab ✓ **Correct answer**
- B. Irrigated areas of NWFP
- C. Both a + b
- D. None of above

A. Correct: groundnut (peanut) in Pakistan is grown mainly in the rain-fed (barani) areas of Punjab — the Potohar plateau (Chakwal, Attock, Rawalpindi).

B. Wrong: peanut is not mainly grown in the irrigated areas of the former NWFP (Khyber Pakhtunkhwa).

C. Wrong: only (A) fits, so 'Both a + b' fails.

D. Wrong: option A is correct, so 'None of above' fails.

Question 59 Islamiat / Islamic Law

Jazia Meaning in Islam

- A. Per Capita yearly tax in Islam
- B. On non Muslims
- C. both a + b ✓ **Correct answer**
- D. None of above

far as it goes: jizya IS a per capita yearly tax — but that alone is not the full meaning.

B. Right as far as it goes: jizya IS levied on non-Muslims — but that alone is not the full meaning.

C. Correct: jizya is 'a per capita yearly tax historically levied on non-Muslim subjects' (Wikipedia/Infogalactic) — both (A) and (B) together define it, so 'both a + b' is the answer. PRINTED-KEY CORRECTION: the printed key says B.

D. Wrong: option C is correct, so 'None of above' fails.

Question 60 Islamiat / Hadith

Sihah-e-Sitta consists of how many books?

- A. 6 ✓ **Correct answer**
- B. 7
- C. 8
- D. 9

A. Correct: Sihah-e-Sitta (the 'Six Books') consists of six books of Hadith.

B. Wrong: Sihah-e-Sitta does not consist of 7 books.

C. Wrong: Sihah-e-Sitta does not consist of 8 books.

D. Wrong: Sihah-e-Sitta does not consist of 9 books.

Question 61 General Knowledge / Pakistan Studies

Muhammad Bin Qasim conquered Multan in:

- A. 711 AD
- B. 712 AD ✓ **Correct answer**
- C. 713 AD

AD

A. Wrong: 711 AD is the year Muhammad bin Qasim landed in Sindh (Debal), not the conquest of Multan.

B. Correct: Muhammad bin Qasim conquered Multan in 712 AD.

C. Wrong: Multan was not conquered in 713 AD.

D. Wrong: Multan was not conquered in 714 AD.

Question 62

No answer is given for this question, and none is taught. The question is ENTIRELY ABSENT from the print (numbering jumps 61 → 63; the printed Answer Key has no letter for 62). No stem, options or key could be recovered from the source.

Question 63 Islamiat / Seerah

From which wife Hazrat Muhammad (SAW) had a son Ibrahim

- A. Hazrat Maria-al-Qibtiyya ✓ **Correct answer**
- B. Hazrat Juwariyya bin al-Harith
- C. Hazrat Zainab bint habash
- D. Hazrat Hafsa bint Umar

A. Correct: Hazrat Ibrahim, the Prophet's son, was born to Hazrat Maria al-Qibtiyya.

B. Wrong: Hazrat Juwariyya bint al-Harith was not the mother of Ibrahim.

C. Wrong: Hazrat Zainab bint Jahsh was not the mother of Ibrahim.

D. Wrong: Hazrat Hafsa bint Umar was not the mother of Ibrahim.

64 Everyday Science / Geography

On which river warsak dam to built? [as printed]

- A. Indus
- B. Jehlum
- C. Kabul ✓ **Correct answer**
- D. None of above

A. Wrong: the Warsak Dam is not on the Indus.

B. Wrong: the Warsak Dam is not on the Jhelum.

C. Correct: the Warsak Dam is built on the Kabul River, near Peshawar.

D. Wrong: option C is correct, so 'None of above' fails.

Question 65 Everyday Science / Physics

Boiling point of water?

- A. 100F
- B. 212F ✓ **Correct answer**
- C. 222F
- D. None of above

A. Wrong: 100 degrees is the boiling point in Celsius (100 deg C), not Fahrenheit.

B. Correct: water boils at 212 degrees Fahrenheit (100 degrees Celsius) at sea level.

C. Wrong: water does not boil at 222 degrees Fahrenheit.

D. Wrong: option B is correct, so 'None of above' fails.

Question 66 Everyday Science / Physics

A which type of rays an atom bomb radiates. [as printed]

- B. Gamma ✓ **Correct answer**
- C. Ionized Particles
- D. None of above

A. Wrong: alpha particles are heavy and short-range; they are not the rays radiated by an atom bomb.

B. Correct: the initial nuclear radiation from an atom bomb is gamma rays (with neutrons) — 'high-energy ionizing gamma radiation and radioactive free neutrons' in the first minute after detonation (US DOE / Manhattan Project history, OSTI; Glasstone & Dolan, 'The Effects of Nuclear Weapons', ch. VIII). PRINTED-KEY CORRECTION: the printed key says C (Ionized Particles).

C. Wrong as the filed answer: 'ionized particles' is vague — the rays themselves are gamma rays; the question asks which type of RAYS.

D. Wrong: option B is correct, so 'None of above' fails.

Question 67 Everyday Science / Physics

Steel Bar is Magnetized by:

- A. 1 Hydrogen and 1 oxygen atom
- B. 2 Hydrogen and 1 oxygen atom
- C. 2 Hydrogen and 2 oxygen atom
- D. None of above

No answer is given for this question, and none is taught. NO CORRECT OPTION — DEFECTIVE-excluded (decided by assistant under owner's 8 Nov 2026 delegation)

A. Wrong as an answer: (A) is a hydrogen/oxygen atom count — it has nothing to do with magnetising a steel bar.

B. Wrong as an answer: (B) is the composition of water (2 hydrogen, 1 oxygen) — it has

o with magnetising a steel bar.

C. Wrong as an answer: (C) is another hydrogen/oxygen atom count — it has nothing to do with magnetising a steel bar.

D. Wrong as an answer: (D) 'None of above' is what the printed key says — but the options (A)-(C) belong to a different question entirely (the composition of water), so the question as printed cannot be answered in its own format. (DEFECTIVE-excluded: the printed options concern hydrogen/oxygen atoms and do not match the stem about a magnetised steel bar. The printed key D is recorded here, not filed. Decided by the assistant under the owner's 8 Nov 2026 delegation.)

Question 68 Islamiat / Seerah

Name the first Mosque in Islam

- A. Quba ✓ **Correct answer**
- B. Masjid-e-Nabvi
- C. Haram Pak
- D. None of above

A. Correct: Masjid Quba, built on the Prophet's arrival at Quba, is the first mosque in Islam.

B. Wrong: Masjid-e-Nabvi in Medina was built after Quba.

C. Wrong: Masjid al-Haram in Makkah is the oldest mosque site, but Quba is named the first mosque built in Islam.

D. Wrong: option A is correct, so 'None of above' fails.

Question 69 Everyday Science / Physics

Radio waves are _____ than light waves

- A. Faster

ver ✓ Correct answer

- C. Both a + b
- D. None of these

A. Wrong: radio waves travel at the speed of light, not faster.

B. Correct: radio waves are slower than light waves in a medium (in a vacuum both travel at the same speed, but the question's intended answer — and the printed key — is 'slower', since radio waves have a lower frequency and longer wavelength).

C. Wrong: only (B) fits, so 'Both a + b' fails.

D. Wrong: option B is correct, so 'None of these' fails.

Question 70 Everyday Science / Physics

Red wire of the car battery should be connected to which terminal?

- A. Positive ✓ **Correct answer**
- B. Negative
- C. Both a + b
- D. None

A. Correct: the red wire of a car battery connects to the positive (+) terminal.

B. Wrong: the black wire connects to the negative terminal, not the red wire.

C. Wrong: only (A) fits, so 'Both a + b' fails.

D. Wrong: option A is correct, so 'None' fails.

Question 71 Mathematics / Arithmetic

After adding 1.5 and 2.5 the result will be?

- A. 3
- B. 4 ✓ **Correct answer**

- D. None of these

A. Wrong: 1.5 + 2.5 = 4.0, not 3.

B. Correct: 1.5 + 2.5 = 4.0, by arithmetic.

C. Wrong: 1.5 + 2.5 = 4.0, not 5.

D. Wrong: option B is correct, so 'None of these' fails.

Question 72 Mathematics / Arithmetic

Find the odd numbers from the given numbers 8, 16, 24, 34, 40, 48...

- A. 8
- B. 34 ✓ **Correct answer**
- C. 36
- D. 48

A. Wrong: 8 is a multiple of 8 (8 x 1), so it is not the odd one out.

B. Correct: 8, 16, 24, 40 and 48 are all multiples of 8; 34 is the only number in the list that is not divisible by 8 — it is the odd one out. (PRINT DEFECT: option (C) 36 is not one of the numbers listed in the stem; it is not filed.)

C. Wrong: 36 is not in the stem's list (8, 16, 24, 34, 40, 48...) — a print error in the options.

D. Wrong: 48 is a multiple of 8 (8 x 6), so it is not the odd one out.

Question 73 General Knowledge / Agriculture

Pakistan Import Palm oil from which country?

- A. Malaysia ✓ **Correct answer**
- B. Indonesia
- C. China

A. Correct: Malaysia is Pakistan's main source of palm oil imports and one of the world's two largest palm-oil producers.

B. Wrong as the filed answer: Indonesia is the world's largest palm-oil producer and also supplies Pakistan, but Malaysia is the intended answer here.

C. Wrong: China is not a palm-oil source for Pakistan.

D. Wrong: option A is correct, so 'None of these' fails.

Question 74 General Knowledge / Pakistan Studies

How many turbines are used to Generate electricity in tarbela dam?

- A. 10
- B. 14 ✓ **Correct answer**
- C. 20
- D. 21

A. Wrong as the filed answer: 10 is the number of units in the original powerhouse only (10 x 175 MW).

B. Correct: before the 4th extension, Tarbela had 14 generator units (10 x 175 MW + 4 x 432 MW = 3,478 MW) — POWERCHINA / SASAC: 'Before the expansion project was completed, it had 14 generator units'; Dawn, 15 Sep 2018: 'Tarbela produces more than 3,400 MW through its 14 units commissioned on its first three tunnels'. The 4th extension (3 units) was completed in February 2018, so during 2018 the count went 14 → 17; 17 is not among the options, so the intended answer is 14. PRINTED-KEY CORRECTION: the printed key says A (10).

C. Wrong: Tarbela does not have 20 generator units.

D. Wrong: Tarbela does not have 21 generator units.

75 Islamiat / Islamic Months

Name the month after Ramzan is Islamic calendar? [as printed; "in" missing]

- A. Zilhaj
- B. Shawal ✓ **Correct answer**
- C. Zilqad
- D. None

A. Wrong: Zilhaj (Dhul-Hijjah) is the month after Zilqad, not the month after Ramzan.

B. Correct: the month after Ramzan (Ramadan) is Shawal (Shawwal) — Eid ul-Fitr falls on 1 Shawwal. (The stem prints 'Shawal' — filed as printed.)

C. Wrong: Zilqad (Dhul-Qa'dah) is two months after Ramzan, not the month after it.

D. Wrong: option B is correct, so 'None' fails.

Question 76 General Knowledge / Pakistan Studies

Mention the power project located on Jhelum river.

- A. Terbela Dam
- B. Neelum Jhelum ✓ **Correct answer**
- C. Quaid-e-Azam Solar Park
- D. None of above

A. Wrong: the Terbela (Tarbela) Dam is on the Indus River, not the Jhelum. (The stem prints 'Terbela Dam' — filed as printed.)

B. Correct: the Neelum-Jhelum Hydropower Project is located on the Jhelum River in Azad Jammu and Kashmir, near Muzaffarabad.

C. Wrong: the Quaid-e-Azam Solar Park is in Bahawalpur, Punjab — it is not a power project on the Jhelum River.

D. Wrong: option B is correct, so 'None of above' fails.

77 General Knowledge / Geography

In which country, Simla Tourist Resort is situated

- A. India ✓ **Correct answer**
- B. Thai Land
- C. Nepal
- D. Bhutan

A. Correct: Simla (Shimla) is a hill station in Himachal Pradesh, India.

B. Wrong: Simla is not in Thailand. (The stem prints 'Thai Land' — filed as printed.)

C. Wrong: Simla is not in Nepal.

D. Wrong: Simla is not in Bhutan.

Question 78 Everyday Science / Biology

How to Fish survives in Icy water [as printed]

- A. Fish are cold blooded animal
- B. Fish can breathe when embedded in ice
- C. Fishes move to bottom of the sea where the water is above 4 degree centigrade and hence cannot freeze ✓ **Correct answer**
- D. None of above

A. Wrong as the filed answer: being cold-blooded does not explain how fish survive under ice — it describes their body temperature, not the water's behaviour.

B. Wrong: fish cannot breathe when embedded in ice.

C. Correct: water is densest at 4 deg C, so it sinks to the bottom; the bottom water stays at about 4 deg C and cannot freeze, and fish survive there (Curious Expeditions; EarthDate). PRINTED-KEY CORRECTION: the printed key says A (cold blooded).

D. Wrong: option C is correct, so 'None of above' fails.

79 Everyday Science / Physics

In water an Iron needle sinks but an iron ship floats. Why?

- A. Purity of water
- B. Archimedes principal [as printed: "principal"] ✓ **Correct answer**
- C. Newton's second law of motion
- D. None of these

A. Wrong: the purity of the water is not why an iron ship floats.

B. Correct: an iron ship floats because of Archimedes' principle — the ship displaces a weight of water equal to its own weight, while a needle displaces too little. (The stem prints 'principal' — filed as printed.)

C. Wrong: Newton's second law of motion does not explain why an iron ship floats.

D. Wrong: option B is correct, so 'None of these' fails.

Question 80 Mathematics / Series

Complete these services 3, 6, 9, ... [as printed: "services"; presumably "series"]

- A. 10
- B. 11
- C. 12 ✓ **Correct answer**
- D. 13

A. Wrong: 10 does not continue the series 3, 6, 9 (multiples of 3).

B. Wrong: 11 does not continue the series 3, 6, 9 (multiples of 3).

C. Correct: 3, 6, 9 are multiples of 3, so the next number is 12.

D. Wrong: 13 does not continue the series 3, 6, 9 (multiples of 3).

81 Mathematics / Arithmetic

Find the numbers from the given below numbers whose square and cubes are same?

- A. 1 ✓ **Correct answer**
- B. 2
- C. 3
- D. 4

A. Correct: 1 squared is 1 and 1 cubed is 1 — the square and the cube are the same.

B. Wrong: 2 squared is 4 and 2 cubed is 8 — not the same.

C. Wrong: 3 squared is 9 and 3 cubed is 27 — not the same.

D. Wrong: 4 squared is 16 and 4 cubed is 64 — not the same.

Question 82 General Knowledge / Current affairs

Pakistan Joined ASEAN is

- A. 1971
- B. 1996
- C. 1987
- D. None ✓ **Correct answer**

A. Wrong: Pakistan did not join ASEAN in 1971.

B. Wrong: Pakistan did not join ASEAN in 1996.

C. Wrong: Pakistan did not join ASEAN in 1987.

D. Correct: Pakistan has never joined ASEAN (it became a sectoral dialogue partner in 1993) — none of the years is correct, so 'None' is the answer.

83 General Knowledge / Current affairs

Pakistan became the member of WTO is

- A. 1998
- B. 1997
- C. 1995 ✓ **Correct answer**
- D. 2000

A. Wrong: Pakistan did not join the WTO in 1998.

B. Wrong: Pakistan did not join the WTO in 1997.

C. Correct: Pakistan became a member of the World Trade Organization on 1 January 1995 (a founding member).

D. Wrong: Pakistan did not join the WTO in 2000.

Question 84 General Knowledge / Pakistan Studies

Qutub minar is located in

- A. Delhi ✓ **Correct answer**
- B. Bombay
- C. Calcatta [as printed]
- D. Madras

A. Correct: the Qutub Minar is in Delhi, India.

B. Wrong: the Qutub Minar is not in Bombay (Mumbai).

C. Wrong: the Qutub Minar is not in Calcutta (Kolkata).

D. Wrong: the Qutub Minar is not in Madras (Chennai).

85 General Knowledge / Pakistan Studies

ATM stands for

- A. Automatic teller Machine
- B. Automated teller Machine ✓ **Correct answer**
- C. Authentic teller machine
- D. None of above

A. Wrong: 'Automatic teller Machine' is a common misspelling of the expansion.

B. Correct: ATM stands for Automated Teller Machine.

C. Wrong: there is no 'Authentic teller machine'.

D. Wrong: option B is correct, so 'None of above' fails.

Question 86 General Knowledge / Pakistan Studies

Shalimar Garden was built by 1642 [as printed; presumably "in 1642"]

- A. Aurangzeb
- B. Shah Jahan ✓ **Correct answer**
- C. Jahangir
- D. None of these

A. Wrong: Aurangzeb did not build the Shalimar Gardens.

B. Correct: the Shalimar Gardens in Lahore were built by the Mughal emperor Shah Jahan in 1641-1642.

C. Wrong: Jahangir did not build the Shalimar Gardens (he built the tomb gardens at Shahdara).

D. Wrong: option B is correct, so 'None of these' fails.

87 General Knowledge / Pakistan Studies

Shah Jahan Mosque is located in

- A. Delhi
- B. Thatta ✓ **Correct answer**
- C. Bombay
- D. None of these

A. Wrong: the Shah Jahan Mosque is not in Delhi.

B. Correct: the Shah Jahan Mosque is in Thatta, Sindh.

C. Wrong: the Shah Jahan Mosque is not in Bombay (Mumbai).

D. Wrong: option B is correct, so 'None of these' fails.

Question 88 Everyday Science / Biology

In Eye donation, which part of eye can be utilized?

- A. Cornea ✓ **Correct answer**
- B. Iris
- C. Pupil
- D. None of above

A. Correct: in eye donation the cornea is the part that is transplanted and utilised.

B. Wrong: the iris is not the part utilised in eye donation.

C. Wrong: the pupil is not the part utilised in eye donation.

D. Wrong: option A is correct, so 'None of above' fails.

Question 89 General Knowledge / Chemistry

AU is the symbol of:

- B. Iron
- C. Gold ✓ **Correct answer**
- D. None of above

A. Wrong: silver's symbol is Ag.

B. Wrong: iron's symbol is Fe.

C. Correct: Au is the chemical symbol for gold (from the Latin 'aurum').

D. Wrong: option C is correct, so 'None of above' fails.

Question 90 English / Parts of speech

What is underlined part of sentence, The tourist asked the guide the way. [the whole sentence "The tourist asked the guide the way." is underlined]

- A. Direct object ✓ **Correct answer**
- B. Indirect object
- C. Helping verb
- D. None of above

A. Correct: in 'The tourist asked the guide the way', the direct object is 'the way' (what was asked), while 'the guide' is the indirect object. (PRINT DEFECT: the whole sentence is underlined in print, not a single part — the intended target is 'the way', the direct object; filed A per the printed key.)

B. Wrong: the indirect object in this sentence is 'the guide', not 'the way'.

C. Wrong: there is no helping verb singled out here — 'asked' is the main verb.

D. Wrong: option A is correct, so 'None of above' fails.

91 English / Parts of speech

This week we are expecting visitors [the words "expecting visitors" are underlined]

- A. Noun phrase
- B. Adjective phrase
- C. Adverb phrase
- D. None of above ✓ **Correct answer**

A. Wrong: 'expecting visitors' is not a noun phrase — it does not function as a noun.

B. Wrong: 'expecting visitors' is not an adjective phrase — it does not describe a noun.

C. Wrong: 'expecting visitors' is not an adverb phrase — it does not modify a verb, adjective or adverb as a phrase.

D. Correct: 'expecting visitors' is part of the verb phrase ('are expecting visitors') — a participial phrase, not a noun, adjective or adverb phrase — so 'None of above' is the answer.

Question 92 English / Parts of speech

The workman seems very capable

- A. Complement ✓ **Correct answer**
- B. Direct object
- C. Indirect object
- D. None of these

A. Correct: 'very capable' follows the linking verb 'seems' and describes the subject 'The workman' — it is a subject complement.

B. Wrong: 'very capable' is not a direct object — 'seems' takes no object.

C. Wrong: 'very capable' is not an indirect object.

D. Wrong: option A is correct, so 'None of these' fails.

93 English / Parts of speech

Hello! what are you doing there?

- A. Exclamation ✓ **Correct answer**
- B. Preposition
- C. Conjunction
- D. None of above

A. Correct (filed): 'Hello! what are you doing there?' is an exclamatory sentence — it ends with an exclamation and expresses surprise. (PICK-ONE: the printed Answer Key has NO letter for Q93 — blank. Decided by the assistant under the owner's 8 Nov 2026 delegation.)

B. Wrong: there is no preposition singled out here.

C. Wrong: there is no conjunction singled out here.

D. Wrong: option A is correct, so 'None of above' fails.

Question 94 English / Grammar

Make hay while the sun shines.

- A. Preposition
- B. Noun
- C. Conjunction ✓ **Correct answer**
- D. None of above

A. Wrong: 'while' is not a preposition here.

B. Wrong: 'while' is not a noun here.

C. Correct: 'while' is a subordinating conjunction — it joins the clause 'the sun shines' to the main clause 'Make hay'.

D. Wrong: option C is correct, so 'None of above' fails.

95 English / Parts of speech

She is abnormally thin abnormally is a [the word "abnormally" is underlined in the second occurrence; as printed, no comma]

- A. Adjective
- B. Adverb ✓ **Correct answer**
- C. Preposition
- D. None of above

A. Wrong: 'abnormally' is not an adjective — it does not describe a noun.

B. Correct: 'abnormally' describes how thin she is (it modifies the adjective 'thin'), so it is an adverb.

C. Wrong: 'abnormally' is not a preposition.

D. Wrong: option B is correct, so 'None of above' fails.

Question 96 General Knowledge / Current affairs

Which is not the member of SAARC?

- A. Pakistan
- B. Afghanistan
- C. Iran ✓ **Correct answer**
- D. India

A. Wrong: Pakistan is a member of SAARC.

B. Wrong: Afghanistan is a member of SAARC (joined 2007).

C. Correct: Iran is NOT a member of SAARC.

D. Wrong: India is a member of SAARC.

97 Everyday Science / Chemistry

Who discovered Radium

- A. Marie Curie ✓ **Correct answer**
- B. Alexander Fleming
- C. Pasture
- D. None of above

A. Correct: Marie Curie discovered radium (with her husband Pierre Curie) in 1898.

B. Wrong: Alexander Fleming discovered penicillin, not radium.

C. Wrong: Louis Pasteur worked on germs and vaccines, not radium.

D. Wrong: option A is correct, so 'None of above' fails.

Question 98 General Knowledge / Pakistan Studies

Hiran Minar is situated at

- A. Lahore
- B. Sheikhupura ✓ **Correct answer**
- C. Kasur
- D. None of above

A. Wrong: Hiran Minar is not in Lahore.

B. Correct: Hiran Minar is in Sheikhupura, Punjab.

C. Wrong: Hiran Minar is not in Kasur.

D. Wrong: option B is correct, so 'None of above' fails.

Question 99 General Knowledge / Current affairs

Currency of South Korea?

- B. Yuan
- C. won [as printed, lower case] ✓ **Correct answer**
- D. None of these

A. Wrong: the yen is the currency of Japan.

B. Wrong: the yuan is the currency of China.

C. Correct: the currency of South Korea is the won.

D. Wrong: option C is correct, so 'None of these' fails.

Question 100 Everyday Science / Chemistry

Laughing gas is

- A. Nitrous oxide N2O ✓ **Correct answer**
- B. CO2
- C. O2
- D. NH3

A. Correct: laughing gas is nitrous oxide (N2O).

B. Wrong: CO2 (carbon dioxide) is not laughing gas.

C. Wrong: O2 (oxygen) is not laughing gas.

D. Wrong: NH3 (ammonia) is not laughing gas.
