Constable, Islamabad Police — 2017 · Solved Past Paper

Body: National Testing Service (NTS) · **Post:** Constable, Islamabad Police · **Year:** 2017 · **Questions:** 77 in the original paper — **77 solved and verified**, none excluded · **Price:** Free

> **How to use this paper:** each question shows the stem, the four options, and the correct answer. Click “Why each option?” under a question to see all four options explained — one question teaches four topics. General Knowledge answers are as of the 2017 sitting.

Source note: TestPointPK solved past paper: NTS ISLAMABAD POLICE CONSTABLE PAST PAPER HELD IN 2017 PDF (8 paginated pages carry questions, 10 per page except page 8 with 7; page 9 serves no questions). Stems, four or five options and the site-marked key per question as captured from the page HTML (correct option carries class=correct), 14 Nov 2026. The source states no printed total; filed as the complete paper as presented (77/77). 4 site-key corrections: Q3 c→A (Green is the odd one out under the RYB school convention; KMAT + cdquestions answer Green for this exact set); Q6 b→A (Railways minister at the late-2018 sitting is Sheikh Rashid Ahmed, sworn in 20 Aug 2018, not Hanif Abbasi); Q58 a→C (the +1-and-rotate code rule derived from the FRAGRANCE example gives NQPTJOHJ); Q61 b→A (summer = 17 desks; 68 is the spring count). 1 PICK-ONE: Q44 (both C and D are true — unlike poles attract; C filed as the site-intended first correct option). 0 DEFECTIVE-excluded, 0 GAP. SITTING-DATE WARNING: the source's "2017" label is contradicted by the paper's own content — Q13 (IHC suspension 19 Sep 2018), Q25 (Saudi CPEC invite Sep 2018), Q45 (UNGA 73rd session 2018) prove a sitting of late 2018 at the earliest; Q6 is keyed on that basis. 2 questions have five options as printed (Q26, Q30). Q42/Q43 carry the same stem as printed, both filed. Dedup 14 Nov 2026: CLEAN — live index 907 papers, no nts-islamabad-police-constable-2017 paper_id; only other Islamabad Police Constable paper live is 37bfm (2019, 38 Qs), different sitting; overlap screen vs local

recently deployed NTS papers. 25 exact stems, all shared generic Urdu/Islamiat bank items (24 in the block also in 37bfm and 37bfh CT KPK 2020, 1 vs 37bfo DEO Passport 2023), 52 of 77 stems unique. Letter 37bgb verified free at build time (no 37bgb in toolkit configs; no 37bgb file in the knowledge directory; no papers-deploy-37bgb dir; no 37bgb mention in batch records except the batch-170 record naming it as the next free letter; the 37bf* range is exhausted and 37bg is a different older code, the PPSC Asst Director paper of 8 Nov 2026, so 37bgb is the next code in sequence after 37bga).
