Junior Clerk (BPS-11), District & Sessions Judge, Dadu (via NTS) — GUESS PAPER 2026 · Predicted Questions

Body: National Testing Service (NTS) for District & Sessions Judge, Dadu · **Post:** Junior Clerk (BPS-11) · **Closes:** 16 Nov 2026 · **Questions:** 100 predicted — 2 repeated questions, 85 verified facts predicted to recur, 13 syllabus anchors · **Price:** Free

GUESS PAPER — predicted questions for the upcoming exam, NOT a past paper. Every question below is a prediction: it is here because the same question, the same fact, or the same topic appeared in verified Junior Clerk (PPSC) past papers (2015–2025). **No pass guarantee.** A guess paper raises the odds; it does not promise a result. Answers are the best-supported answers, not exam keys.

FLAG — read before studying: this post is advertised through NTS (National Testing Service) for the client District & Sessions Judge, Dadu — it is NOT a PPSC paper. This paper uses the PPSC Junior Clerk weightage (Computer 14/100). The one NTS Junior Clerk paper in the archive, 37ad (23 Nov 2025), weighted Computer 40/100 — so the real NTS paper may weight Computer far higher than this paper does, and may weight the other sections lower. Rebuilding on the NTS weightage is not possible from the archive: only 1 NTS paper exists (92 VERIFIED), far below the 300-item floor. Study the topics, not just the weightage.

> **How to use this paper:** study the basis under each question, not just the answer — the real paper will ask the same topics in different words. Revise the underlying topic, not only the four options. Do not quote any item as "asked in the 2026 exam" — nothing here has been asked yet.
