- D. At

A. Correct: the standard adjective + preposition pattern is nice/kind/good/generous OF somebody ('It was very kind of you to help me' — Murphy, Grammar in Use, Unit 130); 'of' is the only option forming the standard collocation (the site's marked key 'For' is corrected; the sentence as printed is sloppy — 'of me' sits oddly with 'I thanked him' — but 'of' is the only option forming the standard pattern).

B. Wrong: 'kind for you' is not a standard phrase (TextRanch: "The correct phrase is 'kind of you'"; "'kind for you' is not a standard phrase in English").

C. Wrong: 'kind in me' is not a collocation.

nd at me' is not a collocation.
