Question 54 Office Procedure and Communication

Standard usage includes those words and expressions understood, used, and accepted by a majority of the speakers of a language in

- A. see complete question and answer in detail

s given for this question, and none is taught. DEFECTIVE-excluded — truncated stem, only the placeholder option as printed, no correct option can be filed (decided by assistant under owner's 8 Nov 2026 delegation)

A. Wrong: this is not an answer option at all — it is the site's placeholder line inviting the reader to the detail page; it names no completion of the stem. The stem itself is truncated mid-sentence and no real options are printed on the source (the standalone page mcqs/32952 shows the identical single placeholder; its Explanation is a reading-comprehension passage about standard usage vs colloquialisms vs slang, not an answerable MCQ). No correct option can be filed. If a complete copy of this question surfaces, file it and re-count.
