PPSC Assistant Director Intelligence (BPS-17) — GUESS PAPER 2026 · Predicted Questions

Body: Punjab Public Service Commission (PPSC) · **Post:** Assistant Director Intelligence (BPS-17) · **Questions:** 100 predicted — 10 repeated questions, 45 verified facts predicted to recur, 45 syllabus anchors · **Price:** Free

GUESS PAPER — predicted questions for the upcoming exam, NOT a past paper. Every question below is a prediction: it is here because the same question, the same fact, or the same topic appeared in the verified PPSC Assistant Director Intelligence paper (37on, 2023). **No pass guarantee.** A guess paper raises the odds; it does not promise a result. Answers are the best-supported answers, not exam keys.

> **Note — 50 to 100 questions:** the verified 2023 AD Intelligence paper is 50 MCQs; this guess paper doubles its subject mix to 100 questions, so each section carries twice its 2023 weight.

> **How to use this paper:** study the basis under each question, not just the answer — the real paper will ask the same topics in different words. Revise the underlying topic, not only the four options. Do not quote any item as "asked in the 2026 exam" — nothing here has been asked yet.
