Tehsildar / Consolidation Officer / Hill Torrent Officer / Reader to Members, Board of Revenue (BS-16), on regular basis, in the Board of Revenue, Punjab — Morning session — 2024 · Solved Past Paper

Body: Punjab Public Service Commission (PPSC) · **Post:** Tehsildar / Consolidation Officer / Hill Torrent Officer / Reader to Members, Board of Revenue (BS-16), on regular basis, in the Board of Revenue, Punjab — Morning session · **Year:** 2024 · **Questions:** 100 in the original paper — **94 solved and verified**, 6 excluded as defective (Q31, Q39, Q44, Q46, Q73, Q95) · **Price:** Free

> **How to use this paper:** each question shows the stem, the four options, and the correct answer. Click “Why each option?” under a question to see all four options explained — one question teaches four topics. General Knowledge answers are as of the 2024 sitting.

Source note: test360.pk reproduction, "Tehsildar Morning 8J2023 15-12-2024" (all 100 question cards, each with 4 options and a printed key, from the page's raw HTML via direct curl fetch). Second source: testpointpk "Tehsildar Solved Past Paper 15-12-2024" (corroborates the exam's identity and, decisively for Q31, admits JD Vance is vice president only since 20 January 2025). BS-16 grade verified from PPSC's own Final Results merit list for Case 8J2023. 3 printed keys corrected openly (Q13, Q32, Q59). Answers verified independently against reference facts, worked derivations and targeted sources, never

Question 1 General Knowledge

Where Bahadur Shah Zafar died ?

- A. Agra
- B. Dhaka
- C. Rangoon ✓ **Correct answer**
- D. Delhi

Note: Bahadur Shah Zafar, the last Mughal emperor, was exiled to Rangoon after 1857 and died there on 7 November 1862. Delhi was his birthplace and capital, not the place of his death; Agra and Dhaka do not fit.

Question 2 General Knowledge

Muslim League Congress and the Sikhs mutually agreed to which agreement with Lord Mountbatten ?

- A. Act of 1947
- B. Indian Independence Act 1947 ✓ **Correct answer**
- C. Govt of India Act 1919
- D. Govt of India Act 1935

Note: The Congress, the Muslim League and the Sikh community came to an agreement with Lord Mountbatten on the 3 June Plan (Mountbatten Plan), which Parliament enacted as the Indian Independence Act 1947 (Wikipedia, Indian Independence Act 1947). The 1919 and 1935 Acts were earlier constitutional reforms, not the partition agreement.

Question 3 General Knowledge

India occupied Kashmir in ____?

- A. 1948

7 ✓ Correct answer

- C. 1950
- D. 1949

Note: Indian troops entered Kashmir in October 1947, after the Maharaja signed the Instrument of Accession. 1948 is the year the matter went to the United Nations, not the year of the occupation.

Question 4 General Knowledge

Who was the first federal foreign Minister of Pakistan ?

- A. Sir Zafar Ullah Khan ✓ **Correct answer**
- B. Jogendra Nath mandal
- C. Liaquat Ali Khan
- D. None of these

Note: Sir Muhammad Zafarullah Khan was Pakistan's first Foreign Minister (1947-1954); he later served as President of the UN General Assembly and as a judge and President of the ICJ. Liaquat Ali Khan was Prime Minister; Jogendra Nath Mandal was Law Minister.

Question 5 General Knowledge

Who was first President of Pakistan ?

- A. Ayub Khan
- B. Iskandar Mirza ✓ **Correct answer**
- C. None of these
- D. Yahya Khan

Note: Iskandar Mirza became the first President of Pakistan on 23 March 1956. Ayub Khan took over in 1958 and Yahya Khan later still.

6 General Knowledge

When was East Pakistan separated ?

- A. 1971 ✓ **Correct answer**
- B. 2000
- C. 1965
- D. 1999

Note: East Pakistan separated on 16 December 1971 and became Bangladesh.

Question 7 General Knowledge

The book In line of Fire was written by ?

- A. Bhutto
- B. Yahya Khan
- C. Pervez Musharraf ✓ **Correct answer**
- D. Ayub Khan

Note: In the Line of Fire (2006) is the autobiography of Pervez Musharraf.

Question 8 General Knowledge

Musharraf became President before which event ?

- A. General Election 2002
- B. Visit of USA President
- C. Agra Summit ✓ **Correct answer**
- D. Visit of USA President

Note: Musharraf became President on 20 June 2001 and the Agra Summit followed on 14-16 July 2001 - the first major event after he took office, and the answer the question-bank tradition intends (the source's own explanation tabulates Agra first among the events after his presidency). PICK-ONE decided by the assistant under the owner's 8 Nov 2026

Strictly, the October 2002 general election (option A) was also after June 2001, so A is literally defensible too; C is picked as the immediate next event. Options B and D are duplicates of each other.

Question 9 General Knowledge

Benazair Bhutto was assassinated in which year ?

- A. 2006
- B. 2005
- C. 2008
- D. 2007 ✓ **Correct answer**

Note: Benazir Bhutto was assassinated on 27 December 2007 at Liaquat Bagh, Rawalpindi. (Stem spells her name 'Benazair' - a reproduction typo.)

Question 10 General Knowledge

What was the purpose of Hizbul Mujahideen ?

- A. Merge Kashmir in India
- B. Make Kashmir an independent state
- C. Make Kashmir part of Pakistan ✓ **Correct answer**
- D. Merge Kashmir in India and Pakistan

Note: Hizbul Mujahideen (founded 1989) aims to integrate Jammu and Kashmir with Pakistan through armed struggle.

Question 11 General Knowledge

Malik Ishaq is belong to which organization ?

- A. TSNL
- B. Sipha Sahaba
- C. Lashker-e-Tayyba

hkar-e-Jhangvi ✓ **Correct answer**

Note: Malik Ishaq was co-founder and top leader of Lashkar-e-Jhangvi, the 1996 breakaway from Sipah-e-Sahaba Pakistan.

Question 12 General Knowledge

Which of the following is caused by wind erosion except ?

- A. Loess
- B. Sund dunes
- C. Piedmont ✓ **Correct answer**
- D. Desert Payment

Note: Loess, sand dunes and desert pavement are wind-erosion/deposition features; a piedmont is a foothill slope formed by water or glacier deposition, not by wind. (Reproduction typos preserved in the stem: 'Sund dunes' for sand dunes, 'Desert Payment' for desert pavement.)

Question 13 General Knowledge

20-25% percent wind erosion is cause by which of the following ?

- A. Saltation
- B. Suspension
- C. Both A&B
- D. Traction ✓ **Correct answer**

Note: PRINTED KEY CORRECTED: the page marks C 'Both A&B', which is wrong. Ohio State's sand-transport page states 'Approximately 20 to 25% of total sand transport during sand storms occurs by traction' - traction is surface creep, option D; the UNL PASSEL resource likewise puts surface creep at 5-25%. Saltation accounts for 50-90% and suspension varies widely, so no 'Both A&B' figure of 20-25% exists.

14 General Knowledge

Which river is famously known as the Mother of Rivers /Waters ?

- A. Mekong River ✓ **Correct answer**
- B. Indus River
- C. None of these
- D. Ganga River

Note: The Mekong is the 'Mother of Rivers/Waters' - Thai/Lao 'Mae Nam Khong' means 'Mother of Water'. The Ganges is revered as 'Mother Ganga' in India but does not carry the global 'Mother of Rivers' title; the Indus does not.

Question 15 General Knowledge

In which state of the USA is Princeton University located ?

- A. California
- B. Philadelphia
- C. New Jersey ✓ **Correct answer**
- D. New York

Note: Princeton University is in Princeton, New Jersey. Philadelphia is a city in Pennsylvania, not a state.

Question 16 General Knowledge

What is the rank of Pakistan according to Population ?

- A. 5th ✓ **Correct answer**
- B. 7th
- C. 6th
- D. 8th

Note: Pakistan is the 5th most populous country in the world (after India, China, the USA

ia), as at the exam date.

Question 17 General Knowledge

Pakistan is divided into how many climatic regions ?

- A. 4 ✓ **Correct answer**
- B. 2
- C. 3
- D. 5

Note: Pakistan is divided into 4 major climatic regions in the GK convention (arid, semi-arid, humid, very humid/highland); the source's own explanation lists the same four.

Question 18 General Knowledge

Nanga Parbat is ranked as the _____ highest mountain peak of the world ?

- A. 12th
- B. None of these
- C. 6th
- D. 9th ✓ **Correct answer**

Note: Nanga Parbat (8,126 m) is the 9th highest mountain peak in the world.

Question 19 General Knowledge

Lloyd Barrage was the old name of which barrage ?

- A. Guddu
- B. Sukkur ✓ **Correct answer**
- C. Kotri
- D. Chashma

Note: The Lloyd Barrage (completed 1932) is the old name of the Sukkur Barrage. Guddu,

Question 20 General Knowledge

The Greater Thal Canal takes off from ____?

- A. Chashma Jhelum Link Canal ✓ **Correct answer**
- B. Sulemanki
- C. Warsak
- D. None of these

Note: The Greater Thal Canal offtakes from the Chashma-Jhelum Link Canal - ADB's Greater Thal Canal EIA: 'The proposed Greater Thal Canal (GTC) offtakes from the right bank of the Chashma-Jhelum Link Canal'. Sulemanki is on the Sutlej and Warsak on the Kabul.

Question 21 General Knowledge

Two revolutions occurred in which of the following Central Asian States ?

- A. Kazakhstan
- B. Kyrgyzstan ✓ **Correct answer**
- C. Uzbekistan
- D. Tajikistan

Note: Two revolutions occurred in Kyrgyzstan - the Tulip Revolution (2005) and the 2010 revolution.

Question 22 General Knowledge

Bosnia & Herzegovina referendum for independence occurred in which year ?

- A. 1994
- B. 1993
- C. 1992 ✓ **Correct answer**

Note: The Bosnia and Herzegovina independence referendum was held on 29 February-1 March 1992.

Question 23 General Knowledge

In 2018 Hosni Mubarak resigned on 11 February 2011 , after 2 Months of protest which ended his regime. How long was the tenure of Hosni Mubarak as the President of Egypt ?

- A. 30 years ✓ **Correct answer**
- B. 32 years
- C. 28 years
- D. 34 years

Note: Hosni Mubarak was President of Egypt from 14 October 1981 to 11 February 2011 - 29 years and 4 months, i.e. about 30 years (the source's own explanation gives the same dates). The stem's opening 'In 2018' is a reproduction error; the resignation date inside the stem is 2011.

Question 24 General Knowledge

Who is the writer of Turkish drama Dirlis Ertugrul ?

- A. Burak Özçivit
- B. Mehmet Bozdag ✓ **Correct answer**
- C. Halit Ergene
- D. Altuglaki

Note: Mehmet Bozdag is the creator/writer of the Turkish drama Dirilis: Ertugrul. Burak Ozcivit and Halit Ergenc are actors in it.

25 General Knowledge

Where is the headquarters of Arab League located in ?

- A. Jeddah
- B. Riyadh
- C. Cario ✓ **Correct answer**
- D. Morrocco

Note: The Arab League's headquarters is in Cairo, Egypt (printed 'Cario' - a reproduction typo). Jeddah and Riyadh are Saudi cities; Morocco is a country, not a city.

Question 26 General Knowledge

The headquarters of the Asian Development Bank is located in ?

- A. Manila ✓ **Correct answer**
- B. Dhaka
- C. Delhi
- D. Beijing

Note: The Asian Development Bank's headquarters is in Manila, Philippines.

Question 27 General Knowledge

When was the UNFCC which aims to prevent dangerous human interference with the climate system ?

- A. Copenhagen climate summit 2009
- B. World environment 2006
- C. Rio de Janeiro Earth Summit 1992 ✓ **Correct answer**
- D. The 1972 United Nations Conference on the Human Environment

Note: The UNFCCC was adopted at the Rio de Janeiro Earth Summit in 1992. The 1972 Stockholm conference predates it and Copenhagen 2009 was a later COP.

28 General Knowledge

Number of EU members to secure the vote for the Treaty of Nice ?

- A. 732 ✓ **Correct answer**
- B. 832
- C. 932
- D. 632

Note: The Treaty of Nice set the maximum number of Members of the European Parliament at 732 (European Parliament fact sheet: 'The maximum number of MEPs was therefore set at 732'). The stem is garbled, but 732 is the Nice number.

Question 29 General Knowledge

Who was the founder of Hamas ?

- A. Yaseer Arafat
- B. Sheikh Ahmed Yasin ✓ **Correct answer**
- C. Hassan Nasrullah
- D. Ismail Hania

Note: Sheikh Ahmed Yasin founded Hamas in 1987. Yasser Arafat led the PLO/Fatah, Hassan Nasrallah led Hezbollah, and Ismail Haniyeh was a later Hamas leader, not its founder.

Question 30 General Knowledge

Sergey Lavrov is foreign minister of ___?

- A. Germany
- B. Russia ✓ **Correct answer**
- C. Poland
- D. Germany

/ Lavrov is the Foreign Minister of Russia (since 2004). Note: options A and D both read 'Germany' - a reproduction duplicate - but the key is unambiguous.

Question 31 General Knowledge

Who is the current Vice President of the United States ?(3TIMES in Exams,2018,2023,2024)

- A. John Kerry
- B. Mike Pence
- C. JD Vance
- D. Joe Biden

No answer is given for this question, and none is taught. NO CORRECT OPTION — DEFECTIVE-excluded

Question 32 General Knowledge

Legislator which country approved land mark legislation to seek Asylum for refugees Medical treatment ?

- A. Spain
- B. Australia ✓ **Correct answer**
- C. Hungary
- D. Canada

Note: PRINTED KEY CORRECTED: the page marks D 'Canada', which is wrong. Australia's Parliament passed the Medevac legislation (2019) allowing doctors to move refugees and asylum seekers held on Manus Island and Nauru to Australia for medical treatment; UNHCR welcomed 'the action taken by the Parliament of Australia … to address critical medical needs of refugees and asylum-seekers'. No landmark Canadian law matches the stem.

33 General Knowledge

Which province adopted a resolution seeking inclusion of oath of Khatm i Nabuwat in the Nikah documents ?

- A. KPK
- B. Punjab ✓ **Correct answer**
- C. Baluchistan
- D. Sindh

Note: The Punjab Assembly adopted the resolution seeking inclusion of the Khatm-e-Nabuwat oath in the Nikah documents on 26 October 2021 (testpointpk carries the identical question with Punjab as the answer; the Punjab government later made the oath mandatory in the Nikahnama in October 2022).

Question 34 General Knowledge

Which Sindhi journalist and linguist was awarded the pride of Performance in 2018 ?

- A. Moti Parekh
- B. KR Malkani
- C. None of these
- D. Rauf Parekh ✓ **Correct answer**

Note: Rauf Parekh - Karachi-born Urdu lexicographer, linguist and Dawn columnist - was awarded the Pride of Performance by the President of Pakistan in 2018 (Rekhta profile; Wikipedia). Neither Moti Parekh nor K. R. Malkani matches.

Question 35 Everyday Science

Ozone layer protect the Earth from ____?

- A. X-Rays
- B. Cosmic Rays
- C. Ultra Violet ✓ **Correct answer**

Note: The ozone layer protects the Earth from ultraviolet (UV) radiation. It does not block X-rays or cosmic rays in the same way, so 'All of these' is wrong.

Question 36 Everyday Science

What is the unit of Heat ?

- A. Ampere
- B. Coulombs
- C. Joule ✓ **Correct answer**
- D. Volt

Note: The SI unit of heat (energy) is the joule. The ampere measures current, the coulomb measures charge and the volt measures potential difference.

Question 37 Everyday Science

Which among the following solutions can be used as electrolytes ?

- A. Sugar
- B. Starch
- C. NaCl ✓ **Correct answer**
- D. Urea

Note: A sodium chloride (NaCl) solution conducts electricity, so it can be used as an electrolyte. Sugar, starch and urea solutions do not conduct.

Question 38 Everyday Science

Sulphur Dioxide and Oxides of Nitrogen cause what ?

- A. Drizzling
- B. Pollution

- D. Acid Rain ✓ **Correct answer**

Note: Sulphur dioxide and oxides of nitrogen cause acid rain. Smog and general pollution are looser terms; the specific effect named in the question is acid rain.

Question 39 Everyday Science

Which of the following is used to speed up a chemical reaction ?

- A. Catalyst
- B. Bio enzyme
- C. Biocatalyst
- D. Catalyst

No answer is given for this question, and none is taught. NO CORRECT OPTION — DEFECTIVE-excluded

Question 40 Everyday Science

Which of the following is the longest bone in human body ?

- A. Stapes
- B. Tibia
- C. Femur ✓ **Correct answer**
- D. Patella

Note: The femur (thigh bone) is the longest bone in the human body. The tibia is the shin bone; the stapes (ear) is the smallest bone; the patella is the kneecap.

Question 41 English

What is synonym of Lacerate ?

- A. Bereft

- C. Mutilate ✓ **Correct answer**
- D. Aberration

Note: Lacerate means to tear or mangle; 'mutilate' is its synonym. 'Bereft' means deprived, 'diction' means word choice and 'aberration' means a deviation.

Question 42 English

What is the meaning of phrasal verb Take out .

- A. Remove ✓ **Correct answer**
- B. Safe
- C. Replace
- D. Attach

Note: 'Take out' means to remove. 'Safe', 'replace' and 'attach' do not carry that meaning.

Question 43 English

Which of the following adjective is used to compare persons and things ?

- A. Predicative Adjective
- B. Quantitative Adjective
- C. Comparative adjective ✓ **Correct answer**
- D. Attribute Adjective

Note: The comparative adjective is used to compare persons and things (for example, taller, better). Predicative and attributive describe an adjective's position, and quantitative deals with quantity.

Question 44 English

Correctly punctuate the following sentence. She couldn't make it to the party ?

couldn't make it to the party!

- B. She couldn't make it to the party.
- C. She couldn't make it to the party...
- D. She couldn't make it to the party.

No answer is given for this question, and none is taught. NO CORRECT OPTION — DEFECTIVE-excluded

Question 45 English

Which of the following is correct ?

- A. A house caught the fire
- B. House caught the fire
- C. The house caught fire ✓ **Correct answer**
- D. The house caught the fire

Note: 'The house caught fire' is the correct idiom; 'caught the fire' (options A and D) is unidiomatic, and B omits the article.

Question 46 English

Which category of prepositions is employed to specify temporal points such as dates times or references derived from the calendar ?

- A. Preposition of Time
- B. Preposition of Manner
- C. None of these
- D. Preposition of Time

No answer is given for this question, and none is taught. NO CORRECT OPTION — DEFECTIVE-excluded

47 English

Which one of the following is correct : Health is prefer to wealth ?

- A. Health is prefer to wealth
- B. Health prefer than wealth
- C. Health is prefer able to wealth ✓ **Correct answer**
- D. Health is more preferable than wealth

Note: 'Health is preferable to wealth' is correct - the printed 'prefer able' is a spacing typo for 'preferable'. Option D, 'more preferable', is wrong because 'preferable' is non-gradable.

Question 48 English

In winters animals die _____ lack of food ?

- A. Away
- B. Up
- C. By
- D. From ✓ **Correct answer**

Note: 'In winters animals die from lack of food' - 'die from' is the correct preposition for a cause of death.

Question 49 English

Climate shift could disrupt agriculture and ___ thousands of species of animals and plants .

- A. Wipe out ✓ **Correct answer**
- B. Wary
- C. Away
- D. Endanger

te shift could disrupt agriculture and wipe out thousands of species of animals' - 'wipe out' is the phrasal verb that fits.

Question 50 English

Complete the sentence: The carving has ____ out .

- A. Wore
- B. Worn ✓ **Correct answer**
- C. Wear
- D. Wearing

Note: The present perfect 'has worn out' needs the past participle 'worn'.

Question 51 Computer Science

Who developed the first compiler ?

- A. John von Neumann
- B. Grace Hopper ✓ **Correct answer**
- C. Allan Turing
- D. Ada Lovelace

Note: Grace Hopper developed the first compiler (the A-0 system, 1952). John von Neumann is associated with computer architecture, Alan Turing with the Turing machine, and Ada Lovelace with the first programming.

Question 52 Computer Science

Who developed the first Turing machine.

- A. Steve Jobs
- B. Charles Babbage
- C. Allan Turing ✓ **Correct answer**
- D. Bill Gates

uring developed the Turing machine (1936). Charles Babbage designed the Analytical Engine; Steve Jobs and Bill Gates are later industry figures.

Question 53 Computer Science

Who is known as the father of microprocessor ?

- A. Federico Faggin
- B. Marcian Hoff and team ✓ **Correct answer**
- C. Gordon Moore
- D. Noyce

Note: Marcian 'Ted' Hoff is the father of the microprocessor - principal architect of the Intel 4004 (Stanford Engineering; IEEE Spectrum). Federico Faggin co-invented the chip, Gordon Moore co-founded Intel, and Robert Noyce co-founded Intel and Fairchild.

Question 54 Computer Science

LSI stands for ____?

- A. System integration Logical
- B. Linear Scale Integration Limited
- C. Large Scale Integration ✓ **Correct answer**
- D. Systems Integration

Note: LSI stands for Large Scale Integration.

Question 55 Computer Science

Google drive is used for _____:

- A. Chatting
- B. File Storage ✓ **Correct answer**
- C. Online browsing
- D. Document Sharing

e Drive is used for file storage (cloud storage). Chatting and online browsing are not its purpose; document sharing is a feature of it, not its primary use.

Question 56 Computer Science

The type of computer which stores data in digital form and has a digital micro processing system is :

- A. Hybrid
- B. Microcomputer
- C. Digital ✓ **Correct answer**
- D. Analog

Note: A computer that stores data in digital form and has a digital microprocessor is a digital computer. An analog computer uses continuous signals and a hybrid mixes both.

Question 57 Computer Science

_____ is tge process of converting information or data into a code to prevent unauthorized access ?

- A. Decryption
- B. Modulation
- C. Encryption ✓ **Correct answer**
- D. Decoding

Note: Encryption is the process of converting information or data into a code to prevent unauthorised access. Decryption reverses it; modulation converts signals; decoding reverses coding. (Stem typo 'tge' for 'the'.)

Question 58 Computer Science

Which one of the following is a semiconductor device that is used to increase the power of the incoming signal by perserving the shape of the original signal ?

- B. IC
- C. Microprocess
- D. Transistor ✓ **Correct answer**

Note: A transistor is the semiconductor device used to amplify (increase) a signal and to switch. A vacuum tube predates semiconductors; an IC is a chip containing transistors.

Question 59 Computer Science

Which statement is valid about computer program ?

- A. It is understood user
- B. It is understood by programmer
- C. Both A and B
- D. It is understood by a computer ✓ **Correct answer**

Note: PRINTED KEY CORRECTED: the page marks C 'Both A and B', which is wrong. In the canonical computer-fundamentals bank this question reads A) understood by a computer, B) understood by programmer, C) understood [by] user, D) Both a & b - and the bank answer is D, both a and b (quearn; gauthmath; Odisha CPET 2020 paper). test360 re-ordered the options, so its 'Both A and B' now means user + programmer - which is false, since a user need not understand a program's code. The only true statement among the options as served is D, 'It is understood by a computer'.

Question 60 Computer Science

What is the shortcut key for find and Replace in MS Word?

- A. Ctrl+G
- B. Ctrl+H ✓ **Correct answer**
- C. Ctrl+F
- D. Ctrl+E

is the shortcut for Find and Replace in MS Word. Ctrl+F is Find only, Ctrl+G is Go To and Ctrl+E is centre align.

Question 61 Computer Science

In a word document which alignment is used to set the text to both left and right ?

- A. Justify ✓ **Correct answer**
- B. Center Align
- C. Right Align
- D. Left Align

Note: Justify alignment sets text to both the left and right margins. Centre, right and left align each align to one side only.

Question 62 Computer Science

What is the shortcut key to center Align the text ?

- A. Ctrl+E ✓ **Correct answer**
- B. Ctrl+L
- C. Ctrl+C
- D. Ctrl+B

Note: Ctrl+E is the shortcut to centre-align text in MS Word. Ctrl+L aligns left, Ctrl+C copies and Ctrl+B bolds.

Question 63 Computer Science

Which shortcut key is used to save PowerPoint presentation ?

- A. Ctrl+S ✓ **Correct answer**
- B. Ctrl+D
- C. Ctrl+G
- D. Ctrl+A

saves a PowerPoint presentation. Ctrl+D duplicates (in PowerPoint), Ctrl+G groups objects and Ctrl+A selects all.

Question 64 Computer Science

By default MS Word automatically saves a document in ____?

- A. Desktop
- B. My document ✓ **Correct answer**
- C. None of these
- D. My computer

Note: By default MS Word saves a document in the Documents folder - 'My Documents' in the classic Windows naming the question uses. Desktop and My Computer are not the default save location. (Dated convention, recorded as such.)

Question 65 Computer Science

If you want to change the page orientation from landscape to portrait in Microsoft Word which tab will be use ?

- A. Design
- B. Insert
- C. Layout ✓ **Correct answer**
- D. Reference

Note: Page orientation (landscape/portrait) is changed from the Layout tab in Microsoft Word. Design, Insert and Reference are other tabs.

Question 66 Computer Science

Which feature in MS Word allows users to charts diagrams auto shapes and hierarchical structures easily ?

- A. Clip Art

- C. Auto Shapes
- D. Smart Art ✓ **Correct answer**

Note: SmartArt lets users insert charts, diagrams, auto shapes and hierarchies. Clip Art is pictures, WordArt is decorative text and Auto Shapes are shapes only.

Question 67 Computer Science

Paste special command is used to copy ____?

- A. Formatting
- B. Formula
- C. All of these ✓ **Correct answer**
- D. Validation

Note: Paste Special can copy formatting, formulas and validation - all three, so 'All of these'.

Question 68 Computer Science

In reference tab citation and bibliography are used for what purpose ?

- A. Bookmark
- B. Footnote and endnote
- C. Citation and bibliography ✓ **Correct answer**
- D. Table of content

Note: On the References tab, Citation and Bibliography are used for citation and bibliography. Footnotes/endnotes and the table of contents are separate groups.

Question 69 Computer Science

In which view are editors and markers removed and only slides are shown in PowerPoint ?

mal view

- B. Reading view
- C. Slide Sorter view
- D. Slide Show view ✓ **Correct answer**

Note: In Slide Show view only the slides are shown, with editors and markers removed. Normal, Reading and Slide Sorter views keep the editing interface visible.

Question 70 Computer Science

In which view can you see the footnotes and comments added to the slides ?

- A. Reading view
- B. Normal view ✓ **Correct answer**
- C. Presenter's view
- D. Slide view

Note: Footnotes and comments added to slides can be seen in Normal view (with the Notes pane and comments pane).

Question 71 Computer Science

Which function is used in MS Excel to quickly sum a range of numbers ?

- A. Fill sum
- B. Quickly Sum
- C. Auto Sum ✓ **Correct answer**
- D. Fitsum

Note: AutoSum (the Sigma function) quickly sums a range of numbers in Excel. 'Fill sum', 'Quickly Sum' and 'Fitsum' are not Excel functions.

Question 72 Computer Science

Which feature allows you to quickly apply predefined conditional formatting rules in a

- A. Theme
- B. Styles ✓ **Correct answer**
- C. Template
- D. Quick styles

Note: The Conditional Formatting button - which applies predefined conditional formatting rules - sits in the Styles group on the Home tab in Excel.

Question 73 Computer Science

In excel the graph that is shaped like a pie chart and used to arrange date intuitively is called _____?

- A. Chart
- B. Bar Graph
- C. Line Graph
- D. Scatter plot

No answer is given for this question, and none is taught. NO CORRECT OPTION — DEFECTIVE-excluded

Question 74 Computer Science

From which tab in MS Excel is a drop-down list created ?

- A. Remove Duplicate
- B. None of these
- C. Data Validation ✓ **Correct answer**
- D. Conditional Formatting

Note: A drop-down list in Excel is created with Data Validation (Data tab).

75 Computer Science

_____ function in MS Excel that is used to search for a specified value in a range of cells and return relative position of that item within the range ?

- A. To Negate the Value
- B. To Compare the Value
- C. To match the value ✓ **Correct answer**
- D. To Contrast the value

Note: The MATCH function searches for a specified value in a range of cells and returns its relative position. (VLOOKUP returns a value from the range; the stem describes MATCH.)

Question 76 Computer Science

When was the first email system developed and by which person ?

- A. Allan Turing
- B. Steve Jobs
- C. Ray Tomlinson ✓ **Correct answer**
- D. Charles Baggage

Note: Ray Tomlinson developed the first email system (ARPANET, 1971). Alan Turing is associated with computing theory, Steve Jobs with Apple and Charles Babbage with the Analytical Engine.

Question 77 Computer Science

If we do not want to delete an email permanently what should we do to remove it from the inbox ?

- A. Archive it ✓ **Correct answer**
- B. To Read it
- C. Move it to spam
- D. Draft it

move an email without deleting it permanently, archive it. Moving it to spam or draft does not do that.

Question 78 Computer Science

In email what kind of files can be sent as attachments ?

- A. Documents images and videos ✓ **Correct answer**
- B. A receipt sent by the recipient
- C. A list of CC or BCC recipients
- D. None of these

Note: Documents, images and videos can all be sent as email attachments.

Question 79 Computer Science

Which method is used to combine user name and subject with document in email system ?

- A. No merge
- B. Mail Merge ✓ **Correct answer**
- C. Small Merge
- D. Large Merge

Note: Mail Merge combines a user name and subject (data source) with a document - for example, mass letters.

Question 80 Computer Science

The Phishing term is used for ___?

- A. Sending spam messages
- B. Stealing personal information through fraudulent emails ✓ **Correct answer**
- C. Hacking into systems directly
- D. Fraudulent websites impersonating legitimate ones

ng is stealing personal information through fraudulent emails. Sending spam is unsolicited mail and hacking into systems directly is a different act.

Question 81 Mathematics

Sumplify : $32^{-3/5}$

- A. 8
- B. -8
- C. 1/8 ✓ **Correct answer**
- D. -1/8

Note: 32^(-3/5) = 1 / 32^(3/5) = 1 / (2^5)^(3/5) = 1 / 2^3 = 1/8. (Stem typo 'Sumplify' for 'Simplify'.)

Question 82 Mathematics

If x:y=2 :1 find the value of $5x^2-13xy+6y^2$

- A. 3/4
- B. 4/3
- C. 0 ✓ **Correct answer**
- D. 55/4

Note: Let x = 2k and y = k. Then 5x^2 - 13xy + 6y^2 = 5(4k^2) - 13(2k^2) + 6k^2 = 20 - 26 + 6 = 0.

Question 83 Mathematics

The height of a right triangle is 4 cm less than its base , and the hypotenuse measures 10 cm . Find the lengths of the base and the height .

- A. 8.8 cm , 4.8 cm ✓ **Correct answer**
- B. 10.8 cm , 6.8 cm
- C. 4.8 cm , 0.8 cm

cm , 2.8 cm

Note: Let the base be b cm and the height (b-4) cm, hypotenuse 10 cm: b^2 + (b-4)^2 = 100 gives b = (4 + sqrt(184))/2 = about 8.78 cm, so the base is about 8.8 cm and the height about 4.8 cm. The exact values are irrational; option A is the rounded match.

Question 84 Mathematics

A volleyball team won 5 matches which accounts for 25% of the total matches they played . Determine the total number of matches the team participated in .

- A. 25
- B. 20 ✓ **Correct answer**
- C. 65
- D. 75

Note: 5 matches is 25% of the total, so the total is 5 / 0.25 = 20 matches.

Question 85 Mathematics

One fifth of the sum of two angles is 24 and half difference is 14 find the largest angle .

- A. 76
- B. 72
- C. 70
- D. 74 ✓ **Correct answer**

Note: One fifth of the sum is 24, so x + y = 120; half the difference is 14, so x - y = 28. Solving gives x = 74, y = 46; the larger angle is 74.

Question 86 Islamiat

The tenure of Khilafat of Hazrat Ali (R.A) was ____?

- A. 2 years

- C. None of these (4 years 9 months) ✓ **Correct answer**
- D. 4 years one month

Note: The khilafat of Hazrat Ali (R.A.) lasted from 656 to 661 CE - about 4 years and 9 months, as option C itself states - so 'None of these' (with that figure) is the keyed answer. Two years, three years and '4 years one month' are wrong.

Question 87 Islamiat

In which year after Hijra the commandment of change of Qiblah was revealed ?

- A. 2 year ✓ **Correct answer**
- B. 3 year
- C. 4 year
- D. 1 year

Note: The commandment of the change of Qiblah was revealed in 2 AH.

Question 88 Islamiat

How many Masarif of Zakat mentioned in Quran .

- A. 9
- B. 8 ✓ **Correct answer**
- C. 6
- D. 7

Note: Eight Masarif (categories) of Zakat are mentioned in the Quran (9:60).

Question 89 Islamiat

In which Surah of the Holy Quran is there mention of Zulqarnain ?

- A. Surah Noon

- C. Surah Al Mujadila
- D. Surah Al Kahf ✓ **Correct answer**

Note: Zulqarnain is mentioned in Surah Al-Kahf (verses 83-98).

Question 90 Islamiat

Kitab Ul Asar is written by whom ?

- A. None of these (Imam Abu Hanifa) ✓ **Correct answer**
- B. Imam Abu Yousaf
- C. Imam Muhammad
- D. Imam Muslim

Note: Kitab-ul-Athar is the work of Imam Abu Hanifa (compiled by Imam Muhammad al-Shaybani) - hence 'None of these' among Abu Yusuf, Muhammad and Muslim.

Question 91 Islamiat

Kitab al Qanun fit-Tibb was written by whom ?

- A. Jabir Bin Hayan
- B. Al Farabi
- C. Ibn Sina ✓ **Correct answer**
- D. None of these

Note: Kitab al-Qanun fit-Tibb (The Canon of Medicine) was written by Ibn Sina. Jabir bin Hayyan is associated with chemistry and Al-Farabi with philosophy.

Question 92 Islamiat

Baba Farid Gunj Shakar belongs to which Sufi Silsila ?

- A. Suharwardy

- C. Chishti ✓ **Correct answer**
- D. Qadariya

Note: Baba Farid Ganj Shakar belonged to the Chishti Sufi silsila.

Question 93 Urdu

ایک قطرہ خون ناول کا موضوع کیا ہے ؟

A. ہجرت

B. جنگ وجدل

Correct answer ✓ C. واقعہ کربلا

D. تقسیم ہند

Note: Ismat Chughtai's novel 'Ek Qatra-e-Khoon' (One Drop of Blood) retells the life of Imam Hussain up to the Battle of Karbala - its subject is the Karbala incident (Goodreads; Exotic India).

Question 94 Urdu

سندر لال بیدی کے کس افسانے کا کردار ہے ؟

A. متھن

Correct answer ✓ B. لاجونتی

C. ببل

D. کوکھ جلی

as if one person, but there is no author of 'سندر لال بیدی' **Note:** NOTE ON THE STEM: it reads that name - the question conflates the character Sundar Lal with the author Rajinder Singh Bedi. Read as intended, Sundar Lal is the hero of Rajinder Singh Bedi's famous afsana

hose title character is his wife Lajwanti - so B is correct

Question 95 Urdu

انوکھا لاڈلا کھیلن کو مانگے چاند یہ گیت کس کا لکھا ہوا ہے ؟

A. مجروح سلطانپوری

B. اسد محمد خان

C. شاحر لدھیانوی

D. قتیل شفائی

No answer is given for this question, and none is taught. NO CORRECT OPTION — DEFECTIVE-excluded

Question 96 Urdu

اس آباد خرابے میں کس کی خودنوشت ہے ؟

Correct answer ✓ A. اختر الایمان

B. بیگم اختر حسین رائے پوری

C. مرزا ادیب

D. سلطان مجروح پوری

Note: 'Is Aabad Kharabe Mein' is the autobiography (khud-nawisht) of Akhtar-ul-Iman.

Question 97 Urdu

دستوئیفسکی کے ناول بردار کازماروف کا اردو ترجمہ کس ادیب نے کیا ؟

A. شہبازشاہ

B. نذرنقوی

Correct answer ✓ C. شاہد حمید

D. حمید شاہد

Note: Shahid Hamid translated Dostoevsky's novel The Brothers Karamazov ('Karamazov Bradaraan') into Urdu, published in Lahore in 2002 (Urdu Wikipedia; gufhtugu).

Question 98 Urdu

ڈپٹی نذیر احمد کوان کے کس ناول پر ایک ہزار روپے انعام ملا تھا ؟

A. رویائے صادقہ

Correct answer ✓ B. مراۃ العروس

C. ابن الوقت

D. توبتہ النصوح

Note: Deputy Nazir Ahmad received a prize of one thousand rupees for his novel 'Mirat-ul-Uroos' (Ro'ya-e-Sadiqa, Ibn-ul-Waqt and Taubat-un-Nasuh are his other novels).

Question 99 Urdu

لازم تھا کہ دیکھو مرارستہ کوئی دن اور تنہا گئے کیوں اب رہو تنہا کوئی دن اور : اس شعر کے شاعر کا نام بتائیں ؟

A. علامہ اقبال

B. داغ دہلوی

Correct answer ✓ C. غالب

D. مولانا حالی

Note: The verse 'Lazim tha ke dekho...' is by Ghalib.

Question 100 Urdu

وہ اسم جس میں کسی غیر معین شخص کو مخاطب کرنے کے لیے جو الفاظ استعمال ہوتے ہیں ۔جیسے کہ کسی کچھ اور

A. اسم نکرہ

Correct answer ✓ B. اسم تنکیر

C. اسم ضمیر

D. اسم معرفہ

Note: The noun used to address an indefinite person is Ism-e-Tankeer (اسم تنکیر). Ism-e-Nakrah is the common noun, Ism-e-Zameer the pronoun and Ism-e-Marfa the definite noun.
