Question 99

No answer is given for this question, and none is taught. The question is known from the fitoye transcription of the paper (pms-paper-1.pdf): 'Khateeb-ul-Anbia is the title of Hazrat Shoaib' — but its four options are not recoverable from either transcription, so the question is recorded as a gap rather than reconstructed.

Question 100

No answer is given for this question, and none is taught. The paper is a 100-question paper; the PACE transcription carries 98 questions and the fitoye transcription adds one more (Q99), leaving one question unrecovered in either transcription.
