Body: Punjab Public Service Commission (PPSC) · **Post:** Naib Tehsildar General Knowledge | BS-14 · **Set:** 2 of 2 · **Questions:** 100 predicted — 0 repeated questions, 46 verified facts predicted to recur, 54 syllabus anchors · **Price:** Free

GUESS PAPER — predicted questions for the upcoming exam, NOT a past paper. Every question below is a prediction: it is here because the same question, the same fact, or the same topic appeared in verified PPSC Naib Tehsildar General Knowledge | BS-14 past papers. **No pass guarantee.** A guess paper raises the odds; it does not promise a result. Answers are the best-supported answers, not exam keys.

[C]-HEAVY PAPER — thin verified pool. 54 of the 100 questions below are syllabus anchors on this post's recurring topics, because the verified archive for this post holds only 93 items. Those questions are flagged [C] on every one of them: they are predictions about the syllabus, not verified facts. Study the topic, not just the answer.

> **How to use this paper:** study the basis under each question, not just the answer — the real paper will ask the same topics in different words. Revise the underlying topic, not only the four options. Do not quote any item as "asked in the 2026 exam" — nothing here has been asked yet.
