Question 1 Pakistan Studies

What is the length of the border between Pakistan and Afghanistan? پاکستان اور افغانستان کے درمیان سرحد کی لمبائی کتنی ہے؟

- A. 2611 km ✓ **Correct answer**
- B. 2350 km
- C. 2282 km
- D. 2430 km

A. Correct: the answer is 2611 km.

B. Wrong: the answer is 2611 km.

C. Wrong: the answer is 2611 km.

D. Wrong: the answer is 2611 km.

Question 2 Science

Normal human body temperature 98.6°F corresponds to _____? عام طور پر انسانی جسم کا درجہ حرارت 98.6 فارنہائٹ _____ کے مساوی ہے؟

- A. 55°C
- B. 42°C
- C. 37°C ✓ **Correct answer**
- D. None of these

A. Wrong: the answer is 37°C.

B. Wrong: the answer is 37°C.

C. Correct: the answer is 37°C.

e answer is 37° C.

Question 3 Pakistan Studies

اسٹیٹ بینک آف پاکستان کا افتتاح کب ہوا؟ ?When State Bank of Pakistan (SBP) was inaugurated

- A. 1st July 1947
- B. 1st August 1947
- C. 1st July 1948 ✓ **Correct answer**
- D. 1st August 1948

A. Wrong: the answer is 1st July 1948.

B. Wrong: the answer is 1st July 1948.

C. Correct: the answer is 1st July 1948.

D. Wrong: the answer is 1st July 1948.

Question 4 Pakistan Studies

گلگت بلتستان پاکستان کے کس حصے میں واقع ہے؟ ?Gilgit Baltistan is located in which side of Pakistan

- A. South
- B. East
- C. West
- D. North ✓ **Correct answer**

A. Wrong: the answer is North.

B. Wrong: the answer is North.

C. Wrong: the answer is North.

D. Correct: the answer is North.

5 Reasoning

Select the lettered pair that best expresses the relationship similar to that expressed in the original pair. SPY : CLANDESTINE :: ?

- A. Furrier : Rambunctious
- B. Accountant : Meticulous ✓ **Correct answer**
- C. Shepherded : Garrulous
- D. Astronaut : Opulent

A. Wrong: the answer is Accountant : Meticulous.

B. Correct: the answer is Accountant : Meticulous.

C. Wrong: the answer is Accountant : Meticulous.

D. Wrong: the answer is Accountant : Meticulous.

Question 6 Pakistan Studies

Who becomes Acting President in the absence of President of Pakistan? پاکستان کے صدر کی عدم موجودگی میں کون قائم مقام صدر بنتا ہے؟

- A. Chairman NAB
- B. Chairman Senate ✓ **Correct answer**
- C. Speaker NA
- D. None of these

A. Wrong: the answer is Chairman Senate.

B. Correct: the answer is Chairman Senate.

C. Wrong: the answer is Chairman Senate.

D. Wrong: the answer is Chairman Senate.

7 Pakistan Studies

پاکستان نے 28 مئی 1998 کو ایٹمی تجربات ?Pakistan conducted nuclear tests on May 28, 1998 at کیے؟

- A. Kohe-e-Sufaid
- B. Chaghi Hills ✓ **Correct answer**
- C. Toba Kakar
- D. Raskoh

A. Wrong: the answer is Chaghi Hills.

B. Correct: the answer is Chaghi Hills.

C. Wrong: the answer is Chaghi Hills.

D. Wrong: the answer is Chaghi Hills.

Question 8 Science

یونیورسل ڈونر کا بلڈ گروپ کون سا ہوتا ہے؟ ?A universal donor has the blood group

- A. B
- B. O- ✓ **Correct answer**
- C. AB
- D. A

A. Wrong: the answer is O-.

B. Correct: the answer is O-.

C. Wrong: the answer is O-.

D. Wrong: the answer is O-.

9 Pakistan Studies

What is the length of border between Pakistan and China? پاکستان اور چین کے درمیان سرحد کی لمبائی کتنی ہے؟

- A. 595 km
- B. 900 km
- C. 599 km (596) ✓ **Correct answer**
- D. None of these

A. Wrong: the answer is 599 km (596).

B. Wrong: the answer is 599 km (596).

C. Correct: the answer is 599 km (596).

D. Wrong: the answer is 599 km (596).

Question 10 Pakistan Studies

Which city is Badshahi Mosque located in? بادشاہی مسجد کس شہر میں واقع ہے؟

- A. Bahawalpur
- B. Multan
- C. Lahore ✓ **Correct answer**
- D. Fasilabad

A. Wrong: the answer is Lahore.

B. Wrong: the answer is Lahore.

C. Correct: the answer is Lahore.

D. Wrong: the answer is Lahore.

11 Reasoning

Optimist is to Cheerful as Pessimist is to?

- A. Gloomy ✓ **Correct answer**
- B. Mean
- C. Petty
- D. Helpful

A. Correct: the answer is Gloomy.

B. Wrong: the answer is Gloomy.

C. Wrong: the answer is Gloomy.

D. Wrong: the answer is Gloomy.

Question 12 Reasoning

Which one of the choices completes the same relationship with the third word? Yard is to Inch as Quart is to?

- A. Milk
- B. Ounce ✓ **Correct answer**
- C. Liquid
- D. None of these

A. Wrong: the answer is Ounce.

B. Correct: the answer is Ounce.

C. Wrong: the answer is Ounce.

D. Wrong: the answer is Ounce.

13 Medical

The normal ranges of respirations in an adult are:

- A. 12-30 Breaths Per Minute
- B. 20-35 Breaths Per Minute
- C. 12-20 Breaths Per Minute ✓ **Correct answer**
- D. None of these

A. Wrong: the answer is 12-20 Breaths Per Minute.

B. Wrong: the answer is 12-20 Breaths Per Minute.

C. Correct: the answer is 12-20 Breaths Per Minute.

D. Wrong: the answer is 12-20 Breaths Per Minute.

Question 14 Pakistan Studies

پاکستان کا قومی پرچم کس تاریخ کو ?The national flag of Pakistan was adopted on which date اپنایا گیا؟

- A. 11 August 1947 ✓ **Correct answer**
- B. 12 August 1947
- C. 13 August 1947
- D. 14 August 1947

A. Correct: the answer is 11 August 1947.

B. Wrong: the answer is 11 August 1947.

C. Wrong: the answer is 11 August 1947.

D. Wrong: the answer is 11 August 1947.

15 Science

Membranes present around the embryo are?

- A. Allantois
- B. Chorion ✓ **Correct answer**
- C. Amnion
- D. All of the above

A. Wrong: the answer is Chorion.

B. Correct: the answer is Chorion.

C. Wrong: the answer is Chorion.

D. Wrong: the answer is Chorion.

Question 16 Science

Which part of the human brain is the center of memory, learning, thinking, and reasoning? انسانی دماغ کا کون سا حصہ یادداشت، سیکھنے، سوچنے اور استدلال کا مرکز ہے؟

- A. Cerebellum
- B. Cerebrum ✓ **Correct answer**
- C. Medulla
- D. None of these

A. Wrong: the answer is Cerebrum.

B. Correct: the answer is Cerebrum.

C. Wrong: the answer is Cerebrum.

D. Wrong: the answer is Cerebrum.

17 Medical

Marker of bone formation are all except? Osteocalcin, Hydroxyproline, Procollagen Residue lkaline, Phosphate

- A. Osteocalcin
- B. Hydroxyproline ✓ **Correct answer**
- C. Procollagen Residue
- D. lkaline Phosphate

A. Wrong: the answer is Hydroxyproline.

B. Correct: the answer is Hydroxyproline.

C. Wrong: the answer is Hydroxyproline.

D. Wrong: the answer is Hydroxyproline.

Question 18 Reasoning

X does not have any sons or brothers but Y's father is X's father-son. What is Y to X?

- A. Daughter ✓ **Correct answer**
- B. Sister
- C. Mother
- D. None of these

A. Correct: the answer is Daughter.

B. Wrong: the answer is Daughter.

C. Wrong: the answer is Daughter.

D. Wrong: the answer is Daughter.

19 Science

Glycolysis is .....

- A. Produced no ATP
- B. Takes place in Cytoplasm ✓ **Correct answer**
- C. Is the same as fermentation
- D. None of these

A. Wrong: the answer is Takes place in Cytoplasm.

B. Correct: the answer is Takes place in Cytoplasm.

C. Wrong: the answer is Takes place in Cytoplasm.

D. Wrong: the answer is Takes place in Cytoplasm.

Question 20 Reasoning

Which one of the following options is suitable to fill the blank? SCD,TEF, UGH, _____, WKL.

- A. UJI
- B. VIJ ✓ **Correct answer**
- C. CMN
- D. IJT

A. Wrong: the answer is VIJ.

B. Correct: the answer is VIJ.

C. Wrong: the answer is VIJ.

D. Wrong: the answer is VIJ.

Question 21 English

They went _____ the rain.

- B. Avoiding
- C. Inspite
- D. Despite ✓ **Correct answer**

A. Wrong: the answer is Despite.

B. Wrong: the answer is Despite.

C. Wrong: the answer is Despite.

D. Correct: the answer is Despite.

Question 22 Science

انسانی سر میں کتنی ہڈیاں ہوتی ہیں؟ ?____How many Bones are there in a Human Head

- A. 16
- B. 22 ✓ **Correct answer**
- C. 206
- D. 300
- E. 8

A. Wrong: the answer is 22.

B. Correct: the answer is 22.

C. Wrong: the answer is 22.

D. Wrong: the answer is 22.

E. Wrong: the answer is 22.

Question 23 English

We lost confidence in Amjad _____ that grandiose promises he had made.

d of

- B. Delivered on
- C. Retreated form
- D. Forgot about

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. 'Tired of' does not complete the sentence: 'We lost confidence in Amjad tired of that grandiose promises…' is ungrammatical.

B. 'Delivered on' does not complete the sentence: '…Amjad delivered on that grandiose promises…' is ungrammatical.

C. 'Retreated form' does not complete the sentence, and 'form' is a misprint for 'from'.

D. 'Forgot about' does not complete the sentence: '…Amjad forgot about that grandiose promises…' is ungrammatical.

Question 24 Psychometric

میں ہمیشہ ____ پر پورا اترتا ہوں

A. وعدہ

B. جھوٹ

C. امید

D. ان میں سے کوئی نہیں

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

B. This is a self-report option, not a factual answer.

elf-report option, not a factual answer.

D. This is a self-report option, not a factual answer.

Question 25 First Aid

سی پی آر سے کیا مراد ہے؟ ?What is meant by CPR

- A. Cardio Pulse Response
- B. Cardiopulmonary Response
- C. Common Pulmonary Response
- D. Cardiopulmonary Resuscitation ✓ **Correct answer**

A. Wrong: the answer is Cardiopulmonary Resuscitation.

B. Wrong: the answer is Cardiopulmonary Resuscitation.

C. Wrong: the answer is Cardiopulmonary Resuscitation.

D. Correct: the answer is Cardiopulmonary Resuscitation.

Question 26 Medical

Reperfusion is useful for:

- A. Mixed Ischemic Myocardium
- B. Non-Ischemic Viable Myocardium
- C. Stunt Myocardium ✓ **Correct answer**
- D. None of these

A. Wrong: reperfusion benefits stunned (viable) myocardium, not mixed ischaemic tissue as filed.

B. Wrong: non-ischaemic viable myocardium does not need reperfusion.

C. Correct: reperfusion restores function in stunned myocardium — viable heart muscle

orarily dysfunctional after ischaemia (the option spells it 'Stunt').

D. Wrong: option C is correct.

Question 27 Science

the transfer of heat when waves or rays are dispersed from an object called?

- A. Conduction
- B. Convection
- C. Radiation ✓ **Correct answer**
- D. All

A. Wrong: the answer is Radiation.

B. Wrong: the answer is Radiation.

C. Correct: the answer is Radiation.

D. Wrong: the answer is Radiation.

Question 28 Science

آرتھروپوڈس میں ہیموگلوبن ہے :Hemoglobin in arthropods is

- A. Dissolved Blood
- B. Associated with WBCs
- C. Associated with RBCs
- D. None of these ✓ **Correct answer**

A. Wrong: the answer is None of these.

B. Wrong: the answer is None of these.

C. Wrong: the answer is None of these.

D. Correct: the answer is None of these.

how many types of muscles?

- A. 3 ✓ **Correct answer**
- B. 4
- C. 5
- D. 6

A. Correct: the answer is 3.

B. Wrong: the answer is 3.

C. Wrong: the answer is 3.

D. Wrong: the answer is 3.

Question 30 Medical

عام انسان بالغ مرد میں ہے : The normal human adult male has

- A. 10 gram of hemoglobin/100 gram of blood
- B. 14 gram of hemoglobin/100 gram of blood ✓ **Correct answer**
- C. 12a gram of hemoglobin/100 gram of blood
- D. 16 grams of hemoglobin/100 grams of blood

A. Wrong: the answer is 14 gram of hemoglobin/100 gram of blood.

B. Correct: the answer is 14 gram of hemoglobin/100 gram of blood.

C. Wrong: the answer is 14 gram of hemoglobin/100 gram of blood.

D. Wrong: the answer is 14 gram of hemoglobin/100 gram of blood.

31 Science

.....In Photosynthesis reduction occurs of ..... فوٹو سنتھیسس میں کمی واقع ہوتی ہے

- A. Lights
- B. Water
- C. Hydrogen
- D. None of these ✓ **Correct answer**

A. Wrong: light is not reduced in photosynthesis; it provides the energy.

B. Wrong: in photosynthesis water is OXIDISED (it loses electrons); carbon dioxide is reduced — and carbon dioxide is not among the options.

C. Wrong: hydrogen is not the species reduced in photosynthesis.

D. Correct: carbon dioxide is the species reduced in photosynthesis, and it is not listed — so 'None of these' is the answer.

Question 32 English

I like ..... music.

- A. Listening
- B. To Listening
- C. Listening to ✓ **Correct answer**
- D. Listen to

A. Wrong: 'I like listening music' is ungrammatical; the preposition 'to' is needed.

B. Wrong: 'I like to listening music' is ungrammatical.

C. Correct: 'I like listening to music' is the grammatical form.

D. Wrong: 'I like listen to music' is ungrammatical; the gerund is needed after 'like'.

33 Medical

Kidney stones is caused due to

- A. sulpher dioxide
- B. Calcium dioxide
- C. Aluminum dioxide
- D. None ✓ **Correct answer**

A. Wrong: kidney stones are not caused by sulphur dioxide.

B. Wrong: there is no such compound as 'calcium dioxide' in this context; kidney stones are mostly calcium OXALATE.

C. Wrong: kidney stones are not caused by aluminium dioxide.

D. Correct: about 80% of kidney stones are calcium oxalate — none of the listed compounds causes them.

Question 34 English

He takes honor.....his great command in Computer Science.

- A. from
- B. with ✓ **Correct answer**
- C. : in
- D. without

A. Wrong: the answer is with.

B. Correct: the answer is with.

C. Wrong: the answer is with.

D. Wrong: the answer is with.

35 English

Are you.....that house?

- A. Buy
- B. Buys
- C. Buying ✓ **Correct answer**
- D. Bought

A. Wrong: the answer is Buying.

B. Wrong: the answer is Buying.

C. Correct: the answer is Buying.

D. Wrong: the answer is Buying.

Question 36 English

I parted the curtains.....looked out into the audience.

- A. And ✓ **Correct answer**
- B. but
- C. we
- D. are

A. Correct: the answer is And.

B. Wrong: the answer is And.

C. Wrong: the answer is And.

D. Wrong: the answer is And.

Question 37 English

صحیح املا کی شناخت کریں Correct spelling? adoit adroet aboit adoat

- B. adroet
- C. aboit
- D. adoat

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. 'adoit' is not the correct spelling of 'adroit'.

B. 'adroet' is not the correct spelling of 'adroit'.

C. 'aboit' is not the correct spelling of 'adroit'.

D. 'adoat' is not the correct spelling of 'adroit'.

Question 38 Psychometric

میں ہمیشہ اپنے آپ کو مشکل کام کرنے کی ____ دینے کے قابل ہوں

A. ہمت

B. ہمت نہیں

C. بہت ہمت

D. ان میں سے کوئی نہیں۔

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

B. This is a self-report option, not a factual answer.

C. This is a self-report option, not a factual answer.

D. This is a self-report option, not a factual answer.

39 Science

ایک پروٹین مالیکیول میں کیا ہو سکتا ہے :A protein molecule may have

- A. 31-50 Amino Acids
- B. 21-30 Amino Acids
- C. 51-3000 ✓ **Correct answer**
- D. None of these

A. Wrong: a chain of 31–50 amino acids is a polypeptide, not a full protein molecule.

B. Wrong: 21–30 amino acids is a peptide, not a protein molecule.

C. Correct: a protein molecule typically has more than 50 amino acids — 51 to 3000.

D. Wrong: option C is correct.

Question 40 First Aid

ریسکیو سکاؤٹس جلنے والے مریض کی ?What can Rescue Scouts use for first aid of a burn patient

ابتدائی طبی امداد کے لیے کیا استعمال کر سکتے ہیں؟

- A. Polyfex ✓ **Correct answer**
- B. Bernol
- C. Toothpaste
- D. All of the above

A. Correct: the answer is Polyfex.

B. Wrong: the answer is Polyfex.

C. Wrong: the answer is Polyfex.

D. Wrong: the answer is Polyfex.

41 First Aid

سی پی آر کرتے وقت سینے کے ?What should be the rate of chest compression while doing CPR

کمپریشن کی شرح کیا ہونی چاہیے؟

- A. More than hundred time per minute
- B. Eighty per minute
- C. Its not important to make sure the compression rate
- D. None of these ✓ **Correct answer**

A. Wrong as filed: the correct rate is 100–120 compressions per minute; 'more than a hundred' is unbounded and could mean far too fast (see Verification Summary).

B. Wrong: 80 per minute is too slow for CPR.

C. Wrong: the compression rate is critical in CPR.

D. Correct as filed (PICK-ONE): the correct rate is 100–120 per minute (AHA guideline), which no option states exactly.

Question 42 First Aid

A sixty years old man was standing at bus stop suddenly he becomes unresponsive. After examination, he has no breathing. What will be on immediately?

- A. CPR
- B. Call 1122 ✓ **Correct answer**
- C. Will spiracle water on his face to gain consciousness.
- D. None of these

A. Wrong as filed: the first step is to call 1122 for help; CPR follows once help is summoned (see Verification Summary).

B. Correct as filed (PICK-ONE): call 1122 first, then start CPR.

C. Wrong: sprinkling water does not help an unresponsive, non-breathing patient.

otion B is correct.

Question 43 First Aid

ایک سال کے بچے کی سانس ?what is the first aid to clear the airway obstruction of year old baby

کی نالی کی رکاوٹ کو دور کرنے کے لیے پہلی امداد کیا ہے؟

- A. give five back blows and five chest trusts ✓ **Correct answer**
- B. give back blows between the shoulders
- C. Both A and B
- D. None of these

A. Correct: the infant choking protocol is five back blows AND five chest thrusts (the option spells 'thrusts' as 'trusts').

B. Wrong: back blows alone are only half the protocol; chest thrusts are also required.

C. Wrong: option B alone is incomplete, so 'both' is not the complete protocol.

D. Wrong: option A is correct.

Question 44 First Aid

What should we tell while calling helpline 1122?

- A. Nature of Emergency
- B. Address of the incident place
- C. Number of Victims
- D. All of the above ✓ **Correct answer**

A. Wrong: the answer is All of the above.

B. Wrong: the answer is All of the above.

C. Wrong: the answer is All of the above.

ne answer is All of the above.

Question 45 First Aid

سانپ کے کاٹنے کی صورت میں ابتدائی طبی ?What will we do in the first aid in case of a snake bite

امداد میں کیا کریں گے؟

- A. Immobilize the part
- B. Remove the constructive clothing jewelry ✓ **Correct answer**
- C. Reassure the patient
- D. None of these

A. Also correct first aid, but not the filed answer: immobilising the bitten part is a correct action, but the bank files option B (see Verification Summary).

B. Correct as filed (PICK-ONE): remove constrictive clothing and jewellery near the bite before swelling starts (the option spells 'constrictive' as 'constructive').

C. Also correct first aid, but not the filed answer: reassuring the patient is a correct action, but the bank files option B (see Verification Summary).

D. Wrong: option B is correct.

Question 46 First Aid

While playing football two players hits each other and one of them got his leg fractured.

فٹبال کھیلتے ہوئے دو کھلاڑی ایک دوسرے سے ٹکرائے ?What will be your action as a first aid provider

اور ان میں سے ایک کی ٹانگ ٹوٹ گئی۔ ابتدائی طبی امداد فراہم کرنے والے کے طور پر آپ کی کارروائی کیا ہوگی؟

- A. Transport to Hospital ✓ **Correct answer**
- B. Ask him to walk
- C. Both A & B
- D. None of these

~~The answer is Transport to Hospital.~~

B. Wrong: the answer is Transport to Hospital.

C. Wrong: the answer is Transport to Hospital.

D. Wrong: the answer is Transport to Hospital.

Question 47 First Aid

A broken glass of window is impaled in the leg of a student while taking his class in the college. What will do his trained fellow student as a first aid?

- A. Call 1122
- B. Remove the object and use bandage to control bleeding
- C. Stabilize the implaed glass in place ✓ **Correct answer**
- D. All of them

A. Wrong: calling for help is right, but the immediate first aid for the impaled glass is to stabilise it — calling alone does not treat the injury.

B. Wrong: an impaled object must NEVER be removed; removing it can cause severe bleeding.

C. Correct: an impaled object is stabilised in place and never removed (the option spells 'impaled' as 'implaed').

D. Wrong: option B (removing the object) is wrong, so 'all of them' is not correct.

Question 48 Reasoning

Pen is to Poet as Needle is to.....

- A. Sewing
- B. Thread
- C. Button

ilor ✓ **Correct answer**

A. Wrong: the answer is . Tailor.

B. Wrong: the answer is . Tailor.

C. Wrong: the answer is . Tailor.

D. Correct: the answer is . Tailor.

Question 49 First Aid

BSI stands for:

- A. Body Substance Isolation ✓ **Correct answer**
- B. Both Substance Isolation
- C. Bilateral Substance Internal
- D. None of these

A. Correct: the answer is Body Substance Isolation.

B. Wrong: the answer is Body Substance Isolation.

C. Wrong: the answer is Body Substance Isolation.

D. Wrong: the answer is Body Substance Isolation.

Question 50 Science

The Phalanges are located in the:

- A. Hand ✓ **Correct answer**
- B. Ear
- C. Shoulder
- D. None of these

A. Correct: the answer is Hand.

e answer is Hand.

C. Wrong: the answer is Hand.

D. Wrong: the answer is Hand.

Question 51 Medical

A pulse oximeter is used to:

- A. Measure the pulse rate and white blood cells
- B. Measure the pulse rate and oxygen in the blood. ✓ **Correct answer**
- C. Measure the pulse rate and amount of certain amount in the blood
- D. None of these

A. Wrong: the answer is Measure the pulse rate and oxygen in the blood.

B. Correct: the answer is Measure the pulse rate and oxygen in the blood.

C. Wrong: the answer is Measure the pulse rate and oxygen in the blood.

D. Wrong: the answer is Measure the pulse rate and oxygen in the blood.

Question 52 Medical

Which of the following drug specifically inhibits uric acid synthesis?

- A. Allopunnol ✓ **Correct answer**
- B. Celecoxib
- C. Asprine
- D. Probenecid

A. Correct: the answer is Allopunnol.

B. Wrong: the answer is Allopunnol.

C. Wrong: the answer is Allopunnol.

e answer is Allopurinol.

Question 53 Medical

Which drug is used topically for genital herpes infection?

- A. Rilonavir
- B. Fusidic Cream
- C. Acyclovir ✓ **Correct answer**
- D. Amantadine

A. Wrong: the answer is Acyclovir.

B. Wrong: the answer is Acyclovir.

C. Correct: the answer is Acyclovir.

D. Wrong: the answer is Acyclovir.

Question 54 First Aid

There is an accident between two buses on a highway. There are many patients . What are the appropriate measures to help these victims?

- A. Will give first aid at site
- B. Transport all the victims at a time in the hospital
- C. Will transport more effected person first ✓ **Correct answer**
- D. Transport the least effected person first

A. Wrong: the answer is Will transport more effected person first.

B. Wrong: the answer is Will transport more effected person first.

C. Correct: the answer is Will transport more effected person first.

D. Wrong: the answer is Will transport more effected person first.

55 First Aid

While eating a meal in a wedding ceremony a 45 years old man is choked with a bone in his thrust and his breathing completely stopped. What will you do to clear the obstruction from his airway?

- A. Give back blows between the shoulders
- B. Give thrust between ambliculus and bipods. ✓ **Correct answer**
- C. Quickly give him something to eat
- D. None of these

A. Wrong: back blows are for infants; an adult with a complete obstruction needs abdominal thrusts.

B. Correct: abdominal thrusts are given between the umbilicus and the xiphoid process (the option garbles the anatomy as 'ambliculus and bipods') — never give food to a choking person.

C. Wrong: never give food or drink to a choking person; it worsens the obstruction.

D. Wrong: option B is correct.

Question 56 First Aid

What can be the disadvantage of calling 1122 unnecessarily?

- A. Loss of Resources
- B. Lost of the life due to busy line
- C. Legal Action against caller
- D. All of the above ✓ **Correct answer**

A. Wrong: the answer is All of the above.

B. Wrong: the answer is All of the above.

C. Wrong: the answer is All of the above.

he answer is All of the above.

Question 57 First Aid

The airway of a 10-month baby is blocked with a coin. How many times will you give back blows to clear the airway?

- A. Five times ✓ **Correct answer**
- B. Four times
- C. Three times
- D. Two times

A. Correct: the answer is Five times.

B. Wrong: the answer is Five times.

C. Wrong: the answer is Five times.

D. Wrong: the answer is Five times.

Question 58 First Aid

The compression to ventilation ratio during CPR is:

- A. 5:2
- B. 15:2
- C. 30:2 ✓ **Correct answer**
- D. 5:5

A. Wrong: 5:2 is not a CPR compression-to-ventilation ratio.

B. Wrong: 15:2 was the pre-2005 ratio (and the two-rescuer paediatric ratio); the adult ratio since 2005 is 30:2.

C. Correct: the AHA adult CPR compression-to-ventilation ratio is 30 compressions to 2 breaths.

5 is not a CPR ratio.

Question 59 Science

Human tissue contains about 20% water in:

- A. Skin Cells
- B. Brain Cells
- C. Bone Cells ✓ **Correct answer**
- D. Nerve Cells

A. Wrong: skin cells are about 64% water, not 20%.

B. Wrong: brain cells are about 73–78% water.

C. Correct: bone is the driest tissue in the body, about 22–31% water — the closest option to 20%.

D. Wrong: nerve cells are about 73% water or more, not 20%.

Question 60 Science

Oligosaccharides are also called:

- A. Peptides
- B. Steroids
- C. Formation
- D. Carbohydrates ✓ **Correct answer**

A. Wrong: the answer is Carbohydrates.

B. Wrong: the answer is Carbohydrates.

C. Wrong: the answer is Carbohydrates.

D. Correct: the answer is Carbohydrates.

61 Science

Maltose is used to make:

- A. Amino acids
- B. Purines
- C. Lipids
- D. Alcohol ✓ **Correct answer**

A. Wrong: the answer is Alcohol.

B. Wrong: the answer is Alcohol.

C. Wrong: the answer is Alcohol.

D. Correct: the answer is Alcohol.

Question 62 Science

Protein fibers like actin and myosin take part in muscle :ایکٹین اور مائوسین جیسے پروٹین ریشے

:پٹھوں میں حصہ لیتے ہیں

- A. Repair
- B. Formation
- C. Expansion
- D. Contraction ✓ **Correct answer**

A. Wrong: the answer is Contraction.

B. Wrong: the answer is Contraction.

C. Wrong: the answer is Contraction.

D. Correct: the answer is Contraction.

63 Science

The bond formed to unite two amino acids is called:

- A. Protein Bond
- B. Peptide Bond ✓ **Correct answer**
- C. Peptide Bond
- D. Pi Pond

A. Wrong: the answer is Peptide Bond.

B. Correct: the answer is Peptide Bond.

C. Wrong: the answer is Peptide Bond.

D. Wrong: the answer is Peptide Bond.

Question 64 Science

Carbon chains make up the skeleton of compounds called:

- A. In-Organic Compound
- B. Acidic Compound
- C. Basic Compound
- D. Organic Compound ✓ **Correct answer**

A. Wrong: carbon chains are the skeleton of ORGANIC compounds, not inorganic ones.

B. Wrong: carbon chains define organic compounds, not acidic ones.

C. Wrong: carbon chains define organic compounds, not basic ones.

D. Correct: carbon chains make up the skeleton of organic compounds, by definition.

Question 65 First Aid

When you will decide to continue CPR on an unconscious patient?

- B. When there is no chest rise and fall ✓ **Correct answer**
- C. Both A & B
- D. None of these

A. Wrong: the answer is When there is no chest rise and fall.

B. Correct: the answer is When there is no chest rise and fall.

C. Wrong: the answer is When there is no chest rise and fall.

D. Wrong: the answer is When there is no chest rise and fall.

Question 66 First Aid

What should not be done for an unconscious patient due to heat stroke?

- A. Cold sponging
- B. Cold sponging
- C. Cold sponging
- D. Maintain ABC

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. Cold sponging is something that SHOULD be done for heat stroke, not something that should not be done; and the option is printed three times identically.

B. Same as option A: cold sponging is correct care for heat stroke, not a thing to avoid.

C. Same as option A: cold sponging is correct care for heat stroke, not a thing to avoid.

D. Maintaining the airway, breathing and circulation is correct care, not something that should not be done; no option states something that should not be done.

67 First Aid

What will be the first aid to control bleeding?

- A. Use of bandage
- B. Apply direct pressure
- C. Elevate the effected part
- D. All of the above ✓ **Correct answer**

A. Wrong: the answer is All of the above.

B. Wrong: the answer is All of the above.

C. Wrong: the answer is All of the above.

D. Correct: the answer is All of the above.

Question 68 First Aid

What will be considered while doing first aid of close wound?

- A. NICE
- B. PMS
- C. RICE
- D. DOTS ✓ **Correct answer**

A. Wrong: the answer is DOTS.

B. Wrong: the answer is DOTS.

C. Wrong: the answer is DOTS.

D. Correct: the answer is DOTS.

Question 69 First Aid

A serious injured patient becomes unresponsive while asking for water to drink. As a

ut what do you do?

- A. Give him juice to drink
- B. Give him water immediately
- C. Arrange Ambulance to transport the victim ✓ **Correct answer**
- D. None of these

A. Wrong: the answer is Arrange Ambulance to transport the victim.

B. Wrong: the answer is Arrange Ambulance to transport the victim.

C. Correct: the answer is Arrange Ambulance to transport the victim.

D. Wrong: the answer is Arrange Ambulance to transport the victim.

Question 70 Psychometric

میری کامیابی کی کلید رہی ہے ____.

A. مستقل مزاجی

B. بری عادات

C. دونوں

D. ان میں سے کوئی بھی نہیں

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

B. This is a self-report option, not a factual answer.

C. This is a self-report option, not a factual answer.

D. This is a self-report option, not a factual answer.

71 Psychometric

میں عام طور پر ____ کر سکتا ہوں کہ لوگ میرے لیے کیوں مشکل پیش کر رہی ہیں

- A. محسوس
- B. غصہ
- C. دونوں
- D. ان میں سے کوئی بھی نہیں

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

B. This is a self-report option, not a factual answer.

C. This is a self-report option, not a factual answer.

D. This is a self-report option, not a factual answer.

Question 72 Psychometric

میں کبھی بھی چیزوں کو دوسروں کے ____ سے نہیں دیکھتا ہوں

- A. نقطہ نظر

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

Question 73 Psychometric

جب مجھے ضرورت ہو تو میں اپنے ____ کو دبا سکتا ہوں

B. آپ

C. جذبات

D. ان میں سے سب

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

B. This is a self-report option, not a factual answer.

C. This is a self-report option, not a factual answer.

D. This is a self-report option, not a factual answer.

Question 74 Psychometric

میں سمجھ سکتا ہوں کہ میرے ____ بعض اوقات دوسروں کو کیوں ناراض کرتے ہیں ؟

A. ساتھی

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

Question 75 Psychometric

میں ____ کو جلدی چھوڑتا ہوں تاکہ یہ مجھ پر مزید اثر نہ کرے

A. اچھی عادت

B. بری عادات

C. دونوں

• D. ان میں سے

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

B. This is a self-report option, not a factual answer.

C. This is a self-report option, not a factual answer.

D. This is a self-report option, not a factual answer.

Question 76 Psychometric

میں عام طور پر کام یا زندگی کے بارے میں ____ فکر مند ہوں۔

• A. زیادہ/بیحد

• B. جذبات

• C. بہت

• D. ان میں سے کوئی بھی نہیں

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

B. This is a self-report option, not a factual answer.

C. This is a self-report option, not a factual answer.

D. This is a self-report option, not a factual answer.

77 Psychometric

تسکین ایک ____ ہے

A. نعمت

B. نعمت

C. عظمت

D. ان میں سے کوئی بھی نہیں

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

B. This is a self-report option, not a factual answer.

C. This is a self-report option, not a factual answer.

D. This is a self-report option, not a factual answer.

Question 78 Psychometric

میں کام چھوڑنے کے بعد ____ حالات یا لوگوں کو مجھ پر اثر انداز نہیں ہونے دیتا

A. برے

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

Question 79 Psychometric

لوگ میرے لئے زندگی کے سب سے ____ چیز ہیں

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

Question 80 Psychometric

مجھے اپنے کام کو ____ بنانے کے لیے مختلف پیشے کے ساتھیوں کی ضرورت پڑتی ہے

A. اہم

B. بہترین

C. بہتر

D. ان میں سے کوئی نہیں

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

B. This is a self-report option, not a factual answer.

C. This is a self-report option, not a factual answer.

D. This is a self-report option, not a factual answer.

Question 81 Psychometric

جب میں ___ ہوں تو میں اس سے واقف ہوتا ہوں

A. غور

B. چڑچڑا

C. بہتر

• D. ان میں سے سب

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

B. This is a self-report option, not a factual answer.

C. This is a self-report option, not a factual answer.

D. This is a self-report option, not a factual answer.

Question 82 Psychometric

میں مختلف قسم کے لوگوں کے ساتھ ____ میں اچھا ہوں

• A. گفتگو

• B. کاروبار

• C. لین دین

• D. ان میں سے سب

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

B. This is a self-report option, not a factual answer.

C. This is a self-report option, not a factual answer.

D. This is a self-report option, not a factual answer.

83 Psychometric

اگر کوئی مجھ سے خوش نہیں ہے تو میں ____ کر سکتا ہوں

A. غور

B. نظر انداز

C. دلچسپی

D. ان میں سے کوئی نہیں

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

B. This is a self-report option, not a factual answer.

C. This is a self-report option, not a factual answer.

D. This is a self-report option, not a factual answer.

Question 84 Psychometric

میں کبھی دوسرے لوگوں کی گفتگو میں ____ نہیں ڈالتا

A. حصہ

B. حصہ لازمی

C. دونوں ہی

D. کوئی نہیں

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

elf-report option, not a factual answer.

C. This is a self-report option, not a factual answer.

D. This is a self-report option, not a factual answer.

Question 85 Psychometric

میں کسی اور کے مسئلے سے ____ کرنے میں بہترین ہوں

A. کنارہ

B. گریز نہیں

C. شامل ہونا

D. ان میں سے کوئی نہیں

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

B. This is a self-report option, not a factual answer.

C. This is a self-report option, not a factual answer.

D. This is a self-report option, not a factual answer.

Question 86 Psychometric

میں برے حالات کو جلدی سے ____ کر سکتا ہوں

A. بہتر

B. بہتر نہیں

C. برا کرنے کی کوشش

D. ان میں سے کوئی نہیں

s given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

B. This is a self-report option, not a factual answer.

C. This is a self-report option, not a factual answer.

D. This is a self-report option, not a factual answer.

Question 87 Psychometric

جب میں اپنا غصہ کھو دیتا ہوں تو مجھےفوراً ____ ہوتا ہے

A. احساس/افسوس

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. This is a self-report option, not a factual answer.

Question 88 First Aid

Prolong CPR is suggested in a patient with:

- A. Drowning
- B. Electric Shock
- C. Both A & B ✓ **Correct answer**
- D. None of these

A. Wrong: prolonged CPR is suggested in drowning AND in electric shock — option A alone is incomplete.

B. Wrong: prolonged CPR is suggested in electric shock AND in drowning — option B alone is incomplete.

prolonged CPR is justified in both cold-water drowning and electrocution, where recovery remains possible after long resuscitation.

D. Wrong: option C is correct.

Question 89 Science

Other than spreading malaria, anopheles mosquitoes are also vectors of:

- A. Danger Fever
- B. Filariasis ✓ **Correct answer**
- C. Yellow Fever
- D. Encephalitis

A. Wrong: the answer is Filariasis.

B. Correct: the answer is Filariasis.

C. Wrong: the answer is Filariasis.

D. Wrong: the answer is Filariasis.

Question 90 Science

The smallest amount of cells in WBC is of:

- A. Neutrophils
- B. Lymphocyte
- C. Basophils ✓ **Correct answer**
- D. None of these

A. Wrong: neutrophils are the MOST common white blood cells (50–70%).

B. Wrong: lymphocytes are the second most common white blood cells (20–40%).

C. Correct: basophils are the rarest white blood cells, under 1% of the total.

otion C is correct.

Question 91 Science

All living things are composed of water:

- A. 70%-80%
- B. 50%-70% ✓ **Correct answer**
- C. 65%-80%
- D. 70%-90%

A. Wrong: the answer is 50%-70%.

B. Correct: the answer is 50%-70%.

C. Wrong: the answer is 50%-70%.

D. Wrong: the answer is 50%-70%.

Question 92 Science

The body of amphibians is divided into

- A. Head and Trunk, ✓ **Correct answer**
- B. Head, Neck and Trunk
- C. Head, Neck, Trunk and Tail
- D. Head, Neck and Tail

A. Correct: an amphibian's body is divided into head and trunk — amphibians have no neck.

B. Wrong: amphibians have no neck.

C. Wrong: amphibians have neither a neck nor a tail as body divisions.

D. Wrong: amphibians have no neck, and the trunk is the main body division.

93 Science

Pollination by wind is called:

- A. Hydrophilic
- B. Anemophily ✓ **Correct answer**
- C. Zoophily
- D. Entomolophily

A. Wrong: the answer is Anemophily.

B. Correct: the answer is Anemophily.

C. Wrong: the answer is Anemophily.

D. Wrong: the answer is Anemophily.

Question 94 Science

When the food is ingested in liquid form the animals are classed as:

- A. Filter Feeders
- B. Fluid Feeders ✓ **Correct answer**
- C. Macrophages Feeders
- D. All of the above

A. Wrong: the answer is Fluid Feeders.

B. Correct: the answer is Fluid Feeders.

C. Wrong: the answer is Fluid Feeders.

D. Wrong: the answer is Fluid Feeders.

Question 95 Science

In insectivore plants, the insect is digested by:

- B. Bacteria
- C. Enzymes ✓ **Correct answer**
- D. None of these

A. Wrong: methane plays no part in digesting insects in insectivorous plants.

B. Wrong: bacteria are secondary; the plant itself digests the insect with its own enzymes.

C. Correct: insectivorous plants digest insects with proteases and other enzymes they secrete.

D. Wrong: option C is correct.

Question 96 Science

Which of the following takes part in nutrition in coelenterates?

- A. Gastrozooid ✓ **Correct answer**
- B. Balstostyle
- C. Goronozooid
- D. None of these

A. Correct: the gastrozooid is the feeding polyp of a coelenterate colony; it takes part in nutrition.

B. Wrong: the blastostyle is the reproductive polyp, not the feeding one (the option spells it 'Balstostyle').

C. Wrong: the gonozooid is the reproductive polyp, not the feeding one.

D. Wrong: option A is correct.

Question 97 Science

The formation of organelles is due to:

sion of labor between cells

- B. Division or labor inside the cell ✓ **Correct answer**
- C. Incidental
- D. All of the above

A. Wrong: the answer is Division or labor inside the cell.

B. Correct: the answer is Division or labor inside the cell.

C. Wrong: the answer is Division or labor inside the cell.

D. Wrong: the answer is Division or labor inside the cell.

Question 98 Science

Which of the following pair of bio-elements represents the maximum and minimum percentage?

- A. Oxygen and iron
- B. Oxygen and Copper
- C. Oxygen and Hydrogen
- D. None of these ✓ **Correct answer**

A. Wrong: the answer is None of these.

B. Wrong: the answer is None of these.

C. Wrong: the answer is None of these.

D. Correct: the answer is None of these.

Question 99 Science

How many of the Bio-Elements constituent 99% of the total human body?

- A. 5
- B. 6 ✓ **Correct answer**

- D. 30

A. Wrong: the answer is 6.

B. Correct: the answer is 6.

C. Wrong: the answer is 6.

D. Wrong: the answer is 6.

Question 100 Science

Keratin produced from:

- A. Enzymes
- B. Bones
- C. Horns
- D. None of these ✓ **Correct answer**

A. Wrong: the answer is None of these.

B. Wrong: the answer is None of these.

C. Wrong: the answer is None of these.

D. Correct: the answer is None of these.

Question 101 Science

Snake venom is:

- A. Toxins
- B. Enzymes ✓ **Correct answer**
- C. Pigments
- D. Co-Enzymes

e answer is Enzymes.

B. Correct: the answer is Enzymes.

C. Wrong: the answer is Enzymes.

D. Wrong: the answer is Enzymes.

Question 102 Science

A number of total estimated organisms species are:

- A. 10-15 Million
- B. 05-30 Million ✓ **Correct answer**
- C. 2-5 Million
- D. 20-35 Million

A. Wrong: the answer is 05-30 Million.

B. Correct: the answer is 05-30 Million.

C. Wrong: the answer is 05-30 Million.

D. Wrong: the answer is 05-30 Million.

Question 103 Science

Water vascular system in echinoderms used for:

- A. Digestion
- B. Respiration
- C. Locomotion ✓ **Correct answer**
- D. None of these

A. Wrong: the water vascular system is not primarily for digestion.

B. Wrong: respiration is a secondary function; the primary function is locomotion.

The water vascular system of echinoderms is primarily used for locomotion (tube feet).

D. Wrong: option C is correct.

Question 104 Science

Match the digestive system with one of the following:

- A. Prostomium
- B. Metameric
- C. Nephrida
- D. Parapodia

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. The stem asks to match the digestive system but gives nothing to match it against; no answer can be determined.

B. The stem is incomplete: there is no list to match against.

C. The stem is incomplete: there is no list to match against.

D. The stem is incomplete: there is no list to match against.

Question 105 Medical

ہیپرین اور ہسٹامین کس طرح تیار ہوتے ہیں :Heparin and Histamine are produced by

- A. Eosinophils
- B. Basophils ✓ **Correct answer**
- C. Lymphocyte
- D. Neutrophils

A. Wrong: the answer is Basophils.

C. Wrong: the answer is Basophils.

D. Wrong: the answer is Basophils.

Question 106 Science

In cockroach, the respiratory system consist of a branching system of air tubules called tracheae:

- A. Cuticle
- B. Chitin
- C. Cutin
- D. None of these

No answer is given for this question, and none is taught. DEFECTIVE — excluded (DEFECTIVE-excluded)

A. The stem states a fact about tracheae but asks no question; no answer can be determined.

B. The stem states a fact but asks no question.

C. The stem states a fact but asks no question.

D. The stem states a fact but asks no question; no answer can be determined.

Question 107 Science

مندرجہ ذیل میں سے کون سا جگر کا فلوک ہے؟ ?Which of the following is a liver fluke

- A. Schistosmoma
- B. Fasciola ✓ **Correct answer**
- C. Dugesia
- D. Taenia

e answer is Fasciola.

B. Correct: the answer is Fasciola.

C. Wrong: the answer is Fasciola.

D. Wrong: the answer is Fasciola.

Question 108 Medical

Uncontrolled mitosis is known as: بے قابو مائٹوسس کے نام سے کون جانا جاتا ہے

- A. Ulcer
- B. Carcinoma ✓ **Correct answer**
- C. Tuberculosis
- D. None of these

A. Wrong: the answer is Carcinoma.

B. Correct: the answer is Carcinoma.

C. Wrong: the answer is Carcinoma.

D. Wrong: the answer is Carcinoma.

Question 109 English

Amjad, Ali & Ahmed will discuss the issue.....themselves.

- A. To
- B. With
- C. Between
- D. Among ✓ **Correct answer**

A. Wrong: the answer is Among.

B. Wrong: the answer is Among.

e answer is Among.

D. Correct: the answer is Among.

Question 110 First Aid

What is most important element while planning for emergency evacuation?

- A. Address of the building ✓ **Correct answer**
- B. First Aid Training
- C. Building Layout
- D. All of the above

A. Correct: the answer is Address of the building.

B. Wrong: the answer is Address of the building.

C. Wrong: the answer is Address of the building.

D. Wrong: the answer is Address of the building.

Question 111 Reasoning

B2CD,.....,BCD4, B5CD, BC6D.

- A. BC3D ✓ **Correct answer**
- B. B2C2D
- C. B2C3D
- D. BCD7

A. Correct: the answer is BC3D.

B. Wrong: the answer is BC3D.

C. Wrong: the answer is BC3D.

D. Wrong: the answer is BC3D.

112 Reasoning

Fan is related to Wings in the same way as Wheel is related to

- A. Round
- B. Spokes ✓ **Correct answer**
- C. Air
- D. Cars

A. Wrong: the answer is Spokes.

B. Correct: the answer is Spokes.

C. Wrong: the answer is Spokes.

D. Wrong: the answer is Spokes.

Question 113 Mathematics

What will be the 147th term of the following pattern? 25,45,65,85,.....

- A. 2945 ✓ **Correct answer**
- B. 2948
- C. 2950
- D. 2960

A. Correct: the answer is 2945.

B. Wrong: the answer is 2945.

C. Wrong: the answer is 2945.

D. Wrong: the answer is 2945.

Question 114 Reasoning

PULSATE: THROB Find out the similar relationship:

et: Dancer

- B. Walk: Run
- C. Tired: Sleep
- D. Examine: Scrutinize ✓ **Correct answer**

A. Wrong: the answer is Examine: Scrutinize.

B. Wrong: the answer is Examine: Scrutinize.

C. Wrong: the answer is Examine: Scrutinize.

D. Correct: the answer is Examine: Scrutinize.

Question 115 Mathematics

look at the series 8,22,8,28,6,----------. what comes next?

- A. 34 ✓ **Correct answer**
- B. 32
- C. 29
- D. 28

A. Correct: the answer is 34.

B. Wrong: the answer is 34.

C. Wrong: the answer is 34.

D. Wrong: the answer is 34.

Question 116 Mathematics

Look at the series 1.5, 2.3, 3.1, 3.9,.....What come next in the series?

- A. 4.4
- B. 5.5
- C. 4.2

✓ Correct answer

A. Wrong: the answer is 4.7.

B. Wrong: the answer is 4.7.

C. Wrong: the answer is 4.7.

D. Correct: the answer is 4.7.

Question 117 English

.....by people's perception, it seems that democracy has succeeded in Pakistan.

- A. going ✓ **Correct answer**
- B. Following
- C. Planned
- D. making

A. Correct: the answer is going.

B. Wrong: the answer is going.

C. Wrong: the answer is going.

D. Wrong: the answer is going.

Question 118 English

They.....all the facts

- A. are not to be aware
- B. must not to be aware for
- C. Are not aware for
- D. Are not aware of ✓ **Correct answer**

A. Wrong: the answer is Are not aware of.

e answer is Are not aware of.

C. Wrong: the answer is Are not aware of.

D. Correct: the answer is Are not aware of.

Question 119 English

Find the correct spelling of the word: economical, econemecal, econnomical, none of these

صحیح ہجے تلاش کریں۔

- A. economical ✓ **Correct answer**
- B. econemecal
- C. econnomical
- D. none of these

A. Correct: the answer is economical.

B. Wrong: the answer is economical.

C. Wrong: the answer is economical.

D. Wrong: the answer is economical.

Question 120 English

Find the correct spelling of the word: evapurate, ewaporate, evaporate, evaparete صحیح

ہجے تلاش کریں۔

- A. evapurate
- B. ewaporate
- C. evaporate ✓ **Correct answer**
- D. evaparete

A. Wrong: the answer is evaporate.

e answer is evaporate.

C. Correct: the answer is evaporate.

D. Wrong: the answer is evaporate.

Question 121 English

She’s my best friend……I will lend her my car.

- A. Hence ✓ **Correct answer**
- B. Such
- C. Because
- D. Even

A. Correct: the answer is Hence.

B. Wrong: the answer is Hence.

C. Wrong: the answer is Hence.

D. Wrong: the answer is Hence.

Question 122 English

Never neglect the ideals of elders, rather always ……..them

- A. Praise
- B. Cherish ✓ **Correct answer**
- C. Follow
- D. Grasp

A. Wrong: the answer is Cherish.

B. Correct: the answer is Cherish.

C. Wrong: the answer is Cherish.

e answer is Cherish.

Question 123 Medical

which of the following describes the best way to store items to prevent pest infection?

- A. Off the floor, with 12 inches of the wall ✓ **Correct answer**
- B. On the floor, at least 12 inches from the wall.
- C. On the floor, within 6 inches of the wall
- D. None of these

A. Correct: food is stored off the floor and away from walls (the FDA rule is 6 inches off the floor; the option garbles it as '12 inches of the wall' but is the only option that keeps food off the floor).

B. Wrong: food must NOT be stored on the floor.

C. Wrong: food must NOT be stored on the floor.

D. Wrong: option A is correct.

Question 124 Medical

Acute kidney injury caused by acyclovir is due to:

- A. Tubular Necrosis
- B. Tubular Obstruction ✓ **Correct answer**
- C. Acute Interstitial Nephritis
- D. All of the above

A. Wrong: acyclovir injury is not primarily acute tubular necrosis.

B. Correct: acyclovir causes acute kidney injury by crystal-induced tubular obstruction — crystals precipitate in the tubules.

C. Wrong: interstitial nephritis is reported with acyclovir but is not the characteristic

D. Wrong: the characteristic mechanism is crystal-induced tubular obstruction alone.

Question 125 Medical

Dilator pupillaPost Ganglionic Parasympathetic Fibrese is supplied by:

- A. Trigeminal Nerve
- B. Post ganglionic sympathetic fibres ✓ **Correct answer**
- C. Oculomotor Nerve
- D. Post Ganglionic Parasympathetic Fibres

A. Wrong: the answer is Post ganglionic sympathetic fibres.

B. Correct: the answer is Post ganglionic sympathetic fibres.

C. Wrong: the answer is Post ganglionic sympathetic fibres.

D. Wrong: the answer is Post ganglionic sympathetic fibres.

Question 126 Medical

A dark blue tympanic membrane is seen in:

- A. Granulation tissue
- B. Cholesterol Granuloma ✓ **Correct answer**
- C. Cholesteatorna
- D. None of these

A. Wrong: granulation tissue does not give a dark blue tympanic membrane.

B. Correct: a cholesterol granuloma behind the eardrum gives the classic dark blue 'blue eardrum'.

C. Wrong: cholesteatoma typically gives a white pearly mass, not a dark blue drum.

otion B is correct.

Question 127 Medical

دمہ کی خصوصیات میں شامل ہیں :Features of Asthma include

- A. Bronchoconstriction ✓ **Correct answer**
- B. Inflammation of the upper airways
- C. Feve
- D. All of the above

A. Correct: asthma features bronchoconstriction of the LOWER airways (the option's 'Bronchoconstriction' alone is the correct feature).

B. Wrong: asthma is inflammation of the LOWER airways, not the upper airways.

C. Wrong: fever is not a feature of asthma (the option spells it 'Feve').

D. Wrong: options B and C are incorrect.

Question 128 Medical

When measuring baseline vitals and the pulse is irregular you should:

- A. Take pulse for 15 seconds and multiply the amount by 4
- B. Take pulse for full 60 seconds ✓ **Correct answer**
- C. Take pulse for 30 seconds and multiply by 2
- D. Take pulse for 45 seconds to ensure

A. Wrong: with an irregular pulse, a short count multiplied up is inaccurate.

B. Correct: an irregular pulse must be counted for a full 60 seconds.

C. Wrong: a 30-second count is not reliable for an irregular pulse.

D. Wrong: the standard is a full 60-second count for an irregular pulse.

129 Medical

The following are located in the anterior mediastinum:

- A. Neurofibroma
- B. Teratoma ✓ **Correct answer**
- C. Both A & B
- D. Neurogenic Parasitic Cyst

A. Wrong: neurofibroma is a posterior mediastinal tumour.

B. Correct: teratoma is one of the '4 Ts' of the anterior mediastinum (thymoma, teratoma, thyroid, terrible lymphoma).

C. Wrong: neurofibroma is posterior, not anterior.

D. Wrong: neurogenic tumours are posterior mediastinal, not anterior.

Question 130 Medical

Lady with infertility with B/L tubal block at cornua. The best method of management is:

- A. IVF ✓ **Correct answer**
- B. Hydrotubation
- C. Tuboplasty
- D. Laparoscopy and Hysteroscopy

A. Correct: the answer is IVF.

B. Wrong: the answer is IVF.

C. Wrong: the answer is IVF.

D. Wrong: the answer is IVF.

131 Medical

Personal hygiene practices are affected by all the following except:

- A. Disability
- B. Personal Choice ✓ **Correct answer**
- C. Culture
- D. Economic Consideration

A. Wrong: the answer is Personal Choice.

B. Correct: the answer is Personal Choice.

C. Wrong: the answer is Personal Choice.

D. Wrong: the answer is Personal Choice.

Question 132 Medical

کوٹریموکسازول کس علاج میں استعمال نہیں ہوتا ہے؟ ?In which cotrimoxazole not used in treatment

- A. Typhoid
- B. Prostatitis ✓ **Correct answer**
- C. UTI
- D. Chancroid

A. Wrong: the answer is Prostatitis.

B. Correct: the answer is Prostatitis.

C. Wrong: the answer is Prostatitis.

D. Wrong: the answer is Prostatitis.

Question 133 Medical

The most effective way to break the chain of infection is by:

- ...aring gloves
- B. Placing patient in isolation
- C. Providing private rooms for all patients
- D. Performing hand hygiene ✓ **Correct answer**

A. Wrong: gloves help but are not the single most effective measure.

B. Wrong: isolation is for specific infections, not the single most effective way to break the chain of infection.

C. Wrong: private rooms help but are not the single most effective measure.

D. Correct: hand hygiene is the single most effective way to break the chain of infection (WHO/NHS).

Question 134 Medical

Stack method of dental estimation is used for:

- A. Adolescents
- B. Infants ✓ **Correct answer**
- C. 25-30 Years
- D. None of these

A. Wrong: the answer is Infants.

B. Correct: the answer is Infants.

C. Wrong: the answer is Infants.

D. Wrong: the answer is Infants.

Question 135 Medical

A nurse is preparing a room for a patient with tuberculosis. The specific aspect of this tier of Standard Precautions is that the care should include:

ate room with negative air flow ✓ **Correct answer**

- B. Hand Hygiene after gloves are removed
- C. Eye protection if splashing is possible
- D. Disposal of sharps in a puncture-resistant container

A. Correct: tuberculosis needs airborne precautions — a private room with negative air pressure and an N95 respirator.

B. Wrong: hand hygiene is standard precautions, not the TB-specific room requirement.

C. Wrong: eye protection is standard precautions, not the TB-specific requirement.

D. Wrong: sharps disposal is standard precautions, not the TB-specific requirement.

Question 136 Medical

According to the organ transplantation act 1994, What punishment for a doctor if found guilty?

- A. More than 5 Years
- B. 2 years
- C. 4 Years
- D. : None of these ✓ **Correct answer**

A. Wrong: the answer is : None of these.

B. Wrong: the answer is : None of these.

C. Wrong: the answer is : None of these.

D. Correct: the answer is : None of these.

Question 137 Medical

The appearance of red, swollen, nasal mucosa from allergy to ragweed pollen has been mediated by:

- amine ✓ **Correct answer**
- B. Abacavir
- C. Nevirapine
- D. Stavudine

A. Correct: the answer is Histamine.

B. Wrong: the answer is Histamine.

C. Wrong: the answer is Histamine.

D. Wrong: the answer is Histamine.

Question 138 Medical

ماں سے بچے میں ایچ ?Which drug is given to prevent HIV transmission from mother to child

آئی وی کی منتقلی کو روکنے کے لیے کونسی دوا دی جاتی ہے؟

- A. Lamivudine
- B. Abacavir
- C. Nevirapine ✓ **Correct answer**
- D. Stavudine

A. Wrong: lamivudine is part of combination therapy, not the single-dose drug of the landmark prevention trial.

B. Wrong: abacavir is not the drug used to prevent mother-to-child HIV transmission.

C. Correct: a single dose of nevirapine to mother and baby prevents mother-to-child HIV transmission (HIVNET 012 trial).

D. Wrong: stavudine is not the drug used to prevent mother-to-child HIV transmission.

139 Medical

Anticoagulant of choice for coagulation test?

- A. Heparin
- B. 3.5% Sodium Citrate ✓ **Correct answer**
- C. EDTA
- D. None of these

A. Wrong: the answer is 3.5% Sodium Citrate.

B. Correct: the answer is 3.5% Sodium Citrate.

C. Wrong: the answer is 3.5% Sodium Citrate.

D. Wrong: the answer is 3.5% Sodium Citrate.

Question 140 Medical

Over several decades, which of the following inhaled pollutants is most likely to produce extensive pulmonary fibrosis? کئی دہائیوں کے دوران، مندرجہ ذیل میں سے کون سی سانس لینے والی آلودگی کا زیادہ امکان ہے کہ وہ پلمونری فبروسس پیدا کرے گی؟

- A. Ozone
- B. Silica ✓ **Correct answer**
- C. Carbon Dioxide
- D. None of these

A. Wrong: the answer is Silica.

B. Correct: the answer is Silica.

C. Wrong: the answer is Silica.

D. Wrong: the answer is Silica.

141 Medical

بیری اینوریزم کی خرابی کس میں پائی جاتی ہے :Berry Aneurysm defect lies in

- A. Deposition of mucoid material in media
- B. Degeneration of internal elastic lamina ✓ **Correct answer**
- C. Defect in muscular layer
- D. Disturbance in Vessel Wall

A. Wrong: the answer is Degeneration of internal elastic lamina.

B. Correct: the answer is Degeneration of internal elastic lamina.

C. Wrong: the answer is Degeneration of internal elastic lamina.

D. Wrong: the answer is Degeneration of internal elastic lamina.

Question 142 Medical

If carbamazepine is prescribed one should monitor:

- A. Liver Function Tests
- B. Renal Function Tests
- C. Both A & B ✓ **Correct answer**
- D. None of these

A. Wrong: liver function alone is not enough; renal function must also be monitored.

B. Wrong: renal function alone is not enough; liver function must also be monitored.

C. Correct: carbamazepine needs monitoring of liver function tests AND renal function (urea and electrolytes), plus blood counts and drug levels.

D. Wrong: option C is correct.

143 Medical

Respiratory depreciation caused by which drug can be reversed by flumazenil.

- A. Ketamine
- B. Fontanel
- C. Propofol
- D. None of these ✓ **Correct answer**

A. Wrong: flumazenil reverses benzodiazepines only; it has no effect on ketamine.

B. Wrong: 'Fontanel' is a misspelling of fentanyl, an opioid — flumazenil does not reverse opioids.

C. Wrong: flumazenil does not reverse propofol.

D. Correct: flumazenil is a specific benzodiazepine antagonist; none of the listed drugs is a benzodiazepine.

Question 144 Medical

Ephedrine blocks which receptors:

- A. Only Alpha
- B. Only Beta
- C. Both Alpha & Beta ✓ **Correct answer**
- D. None of these

A. Wrong: the answer is Both Alpha & Beta.

B. Wrong: the answer is Both Alpha & Beta.

C. Correct: the answer is Both Alpha & Beta.

D. Wrong: the answer is Both Alpha & Beta.

145 Medical

Medicine must be discarded if it

- A. : Exposed to sunlight for minimum time
- B. Six months before expiry
- C. Changes Colour significantly ✓ **Correct answer**
- D. All of the above

A. Wrong: the answer is Changes Colour significantly.

B. Wrong: the answer is Changes Colour significantly.

C. Correct: the answer is Changes Colour significantly.

D. Wrong: the answer is Changes Colour significantly.

Question 146 Medical

Phase ll reaction of drug biotransformation result.

- A. six months before expire
- B. changes color significant
- C. All of above
- D. none of these ✓ **Correct answer**

A. Wrong: the answer is none of these.

B. Wrong: the answer is none of these.

C. Wrong: the answer is none of these.

D. Correct: the answer is none of these.

Question 147 Science

in anatomical terms dorsal means?

- B. back ✓ **Correct answer**
- C. below
- D. above

A. Wrong: the answer is back.

B. Correct: the answer is back.

C. Wrong: the answer is back.

D. Wrong: the answer is back.

Question 148 Medical

Critical signs of dehydration in children include: بچوں میں پانی کی کمی کی اہم علامات میں ..... شامل ہیں

- A. Skin Color Change
- B. Dry mucus membranes
- C. Reduced tear production
- D. All of the above ✓ **Correct answer**

A. Wrong: the answer is All of the above.

B. Wrong: the answer is All of the above.

C. Wrong: the answer is All of the above.

D. Correct: the answer is All of the above.

Question 149 First Aid

What is the preferred position for a patient in hypovolemic shock?

- A. Supine with feet evaluated

hold the foot side of the patient

- C. Both A & B ✓ **Correct answer**
- D. None of these

A. Wrong: the answer is Both A & B.

B. Wrong: the answer is Both A & B.

C. Correct: the answer is Both A & B.

D. Wrong: the answer is Both A & B.

Question 150 Medical

A pulse can be felt when a .....passes over a bone.

- A. Artery ✓ **Correct answer**
- B. Vein
- C. Muscle
- D. Tendon

A. Correct: the answer is Artery.

B. Wrong: the answer is Artery.

C. Wrong: the answer is Artery.

D. Wrong: the answer is Artery.

Question 151 Medical

The Brachial Artery is located in the:

- A. Eye
- B. Arm ✓ **Correct answer**
- C. Leg
- D. Heart

e answer is Arm.

B. Correct: the answer is Arm.

C. Wrong: the answer is Arm.

D. Wrong: the answer is Arm.

Question 152 Medical

What is the contraindication of Glucagon?

- A. Head Injury
- B. Foot Injury
- C. Chest injury
- D. Pheochromocytoma ✓ **Correct answer**

A. Wrong: the answer is Pheochromocytoma.

B. Wrong: the answer is Pheochromocytoma.

C. Wrong: the answer is Pheochromocytoma.

D. Correct: the answer is Pheochromocytoma.

Question 153 Reasoning

ZA5, Y4B, XC6, W3D,.....

- A. VE5
- B. V2E
- C. VE7. ✓ **Correct answer**
- D. E7V

A. Wrong: the series runs ZA5, Y4B, XC6, W3D — the numbers pair (5,4), (6,3), (7,2), so the next number is 7, not 5.

e letters and number do not follow the series pattern.

C. Correct as filed (PICK-ONE): first letters Z, Y, X, W, V; second letters A, B, C, D, E; numbers in pairs (5,4), (6,3), (7,2) — so VE7 (the site left this question unkeyed).

D. Wrong: the letter order is V then E, not E then V.

Question 154 Mathematics

Look at the series and complete it: 72,76,73,77,74....,75

- A. 71
- B. 78 ✓ **Correct answer**
- C. 82
- D. 85

A. Wrong: the answer is 78.

B. Correct: the answer is 78.

C. Wrong: the answer is 78.

D. Wrong: the answer is 78.

Question 155 Reasoning

Select the lettered pair that best expresses the relationship similar to that expressed in the original pair: CONVICTION: INCARCERATION

- A. Radicalization : Estimation
- B. Reduction : Diminution ✓ **Correct answer**
- C. Induction : Amelioration
- D. None

A. Wrong: the answer is Reduction : Diminution.

B. Correct: the answer is Reduction : Diminution.

e answer is Reduction : Diminution.

D. Wrong: the answer is Reduction : Diminution.

Question 156 English

What does global warming have.....overpopulation?

- A. To do
- B. Made
- C. Made up
- D. To do with ✓ **Correct answer**

A. Wrong: the answer is To do with.

B. Wrong: the answer is To do with.

C. Wrong: the answer is To do with.

D. Correct: the answer is To do with.

Question 157 English

The building is so ……..

- A. Tall ✓ **Correct answer**
- B. Tail
- C. Taller
- D. Tallest

A. Correct: the answer is Tall.

B. Wrong: the answer is Tall.

C. Wrong: the answer is Tall.

D. Wrong: the answer is Tall.

158 General Knowledge

صحرائے قراقم کہاں واقع ہے :The Karakum Desert is located in

- A. Magnolia
- B. Botswana
- C. Kazakstan
- D. Turkmenistan ✓ **Correct answer**

A. Wrong: the answer is Turkmenistan.

B. Wrong: the answer is Turkmenistan.

C. Wrong: the answer is Turkmenistan.

D. Correct: the answer is Turkmenistan.

Question 159 Science

Anterior refers to:

- A. Middle
- B. Back
- C. Front ✓ **Correct answer**
- D. Above

A. Wrong: the answer is Front.

B. Wrong: the answer is Front.

C. Correct: the answer is Front.

D. Wrong: the answer is Front.

Question 160 Medical

Which of the following means air in the pleural space?

racotomy.

- B. Hemothorax
- C. Pneumothorax ✓ **Correct answer**
- D. Haemphenothorax

A. Wrong: the answer is Pneumothorax.

B. Wrong: the answer is Pneumothorax.

C. Correct: the answer is Pneumothorax.

D. Wrong: the answer is Pneumothorax.

Question 161 Science

The maxilla is located in:

- A. Face ✓ **Correct answer**
- B. Leg
- C. Arm
- D. Neck

A. Correct: the answer is Face.

B. Wrong: the answer is Face.

C. Wrong: the answer is Face.

D. Wrong: the answer is Face.

Question 162 Medical

Tachycardia is:

- A. >100bpm ✓ **Correct answer**
- B. <100bpm
- C. <60bpm

A. Correct: the answer is >100bpm.

B. Wrong: the answer is >100bpm.

C. Wrong: the answer is >100bpm.

D. Wrong: the answer is >100bpm.

Question 163 Medical

Bradycardia is any pulse under:

- A. 90bpm
- B. 80bpm
- C. 60bpm ✓ **Correct answer**
- D. : None of these

A. Wrong: the answer is 60bpm.

B. Wrong: the answer is 60bpm.

C. Correct: the answer is 60bpm.

D. Wrong: the answer is 60bpm.

Question 164 Medical

ہائپوکسیا کا نتیجہ عام طور پر جلد کا کون سا رنگ ہوتا ہے؟ ?Hypoxia usually results in which skin color

- A. Allergy
- B. Cyanotic ✓ **Correct answer**
- C. Heart Attack
- D. None of these

A. Wrong: the answer is Cyanotic.

C. Wrong: the answer is Cyanotic.

D. Wrong: the answer is Cyanotic.

Question 165 Medical

In the smooth glistening internal layer of the heart in which blood flow is called:

- A. Endocardium ✓ **Correct answer**
- B. Arteries
- C. Aorta
- D. None of these

A. Correct: the answer is Endocardium.

B. Wrong: the answer is Endocardium.

C. Wrong: the answer is Endocardium.

D. Wrong: the answer is Endocardium.

Question 166 Medical

In a COPD Patient, what percentage of Oxygen is used?

- A. <92% ✓ **Correct answer**
- B. >92%
- C. >95%.
- D. 100%

A. Correct: the BTS target oxygen saturation in COPD is 88–92%; 100% oxygen is harmful in COPD (it worsens carbon dioxide retention).

B. Wrong: saturations above 92% risk hypercapnia in COPD.

turations above 95% are too high for a COPD patient.

D. Wrong: 100% oxygen is harmful in COPD; the target is 88–92%.

Question 167 First Aid

Where should you park in a hazardous chemical incident?

- A. At the front of Incident
- B. At a safe distance ✓ **Correct answer**
- C. At the main Point of Incident
- D. None of these

A. Wrong: the answer is At a safe distance.

B. Correct: the answer is At a safe distance.

C. Wrong: the answer is At a safe distance.

D. Wrong: the answer is At a safe distance.
