Question 100

No answer is given for this question, and none is taught. No stem, options or printed key for Q100 appear on the primary source page (test360.pk test 1412 serves 99 numbered items). The original paper is 100 MCQs, so 1 stem is unaccounted, but it cannot be identified by original number — the reproduction numbers its own sequence 1–99.

enly as unrecoverable — nothing was guessed for it.
