Assistant Sub Inspector (ASI ANF) (BS-11), 2021 — 2021 · Solved Past Paper

Body: Federal Public Service Commission (FPSC) · **Post:** Assistant Sub Inspector (ASI ANF) (BS-11), 2021 · **Year:** 2021 · **Questions:** 100 in the original paper — **100 solved and verified**, none excluded · **Price:** Free

> **How to use this paper:** each question shows the stem, the four options, and the correct answer. Click “Why each option?” under a question to see all four options explained — one question teaches four topics. General Knowledge answers are as of the 2021 sitting.

Source note: testpointpk.com paper 645, 'ANF ASI past paper 2021' (101 questions with keys), accessed 13 Nov 2026. The Imtiaz Shahid FPSC book (Ed 61, 2026) carries this paper as Model Paper 121, p. 694. The source serves 101 items but the paper is 100 MCQs: its Q47 is the Urdu-script duplicate of its Q6 (same question, Hazrat Essa born in Bait-ul-Lehm, key C) — the duplicate is dropped and the source's Q48-Q101 are renumbered down by one. 5 printed keys corrected openly (Q1, Q12, Q34, Q58, Q86). Q25 options A and C are both 'December 23, 1600' (a duplicate in the source); keyed D 'December 31, 1600' is correct. The doc4shares 'Vibrant Times ANF All in One' guide (post 4294, 217 pp) was checked page by page (contact sheets of all 217 pages, 13 Nov 2026) and contains study material only — no past-paper sections — so the contamination items are corrected by fact (the 2021 office-holders and seat counts). Dedup 13 Nov 2026 vs the live library (1010 built files, 78,549 stems): 35 exact + 37 first-8-words matches, top file 11 hits — isolated bank reuse; a new sitting. No live ASI ANF 2021 paper exists in the index.

Question 1 Pakistan Studies

Total number of seats in National Assembly of Pakistan are _____?

- B. 332
- C. 342 ✓ **Correct answer**
- D. 344

Note: In 2021 the National Assembly of Pakistan had 342 seats (272 general + 60 women + 10 minority); it became 336 only after the 26th Amendment of 2024. The printed key A (336) is wrong for the 2021 sitting, so the answer is corrected to C.
