DATE NOTE (decided by the assistant under the owner's 8 Nov 2026 delegation): lexacademy labels this paper 'December 9, 2020', but 9 December 2020 was a Wednesday and every confirmed LAT sitting is a Sunday; the paper is filed as 6 December 2020 (Sunday). Every explanation below is original. Second source: three independent listings date the December 2020 LAT paper 06-12-2020 (testpointpk 'LAT PAST PAPER DATED 06-12-2020'; LAT360 contents 'Date: 06 December 2020'; Clipzag list 'LAT Past Paper (06-12-2020)'); lexacademy's own book contents list the same paper as '10 LAT Past Paper — 9 December 2020, 75 MCQs'. 0 printed-key corrections and 1 PICK-ONE (Q16), all decided by the assistant under the owner's 8 Nov 2026 delegation. RECONSTRUCTION CAVEAT (recorded openly): the reproduction is a candidate-recall reconstruction of the 6 December 2020 LAT, not an official HEC paper — HEC does not publish LAT papers after the test; lexacademy's own book note states every paper in it 'has been reconstructed from candidates who sat that session, so it reflects the pattern and the standard of the real paper rather than being an official HEC document'. The sitting itself is confirmed (see second source above), the
