Law Admission Test (LAT) — 2022 · Solved Past Paper

Body: Higher Education Commission (HEC) · **Post:** Law Admission Test (LAT) · **Year:** 2022 · **Questions:** 75 in the original paper — **75 solved and verified**, none excluded · **Price:** Free

> **How to use this paper:** each question shows the stem, the four options, and the correct answer. Click “Why each option?” under a question to see all four options explained — one question teaches four topics. General Knowledge answers are as of the 2022 sitting.

Source note: lexacademy.com.pk quiz-view page, 'LAT Past Paper — November 21, 2022' (all 75 MCQs with four options and a marked key each, Q1–Q75 contiguous, in the official section order — English 20, General Knowledge 20, Pakistan Studies 10, Islamic Studies 10, Urdu 10, Mathematics 5; accessed 9 Nov 2026). Every explanation below is original. Second source: legalversity records 'Law Admission Test (LAT) Past Papers 20 November 2022' (published 22 November 2022); LAT360 contents list 'Date: 20 November 2022'; a blogspot post reads 'LAT Past Paper 20 nov 2022'; a Clipzag list reads 'LAT Paper 20 November 2022'. DATE NOTE (decided by the assistant under the owner's 8 Nov 2026 delegation): lexacademy labels this paper 'November 21, 2022', but 21 November 2022 was a Monday and every confirmed LAT sitting is a Sunday; the paper is filed as 20 November 2022 (Sunday) — the same misdate pattern as 37aav (lexacademy '9 Dec 2020' vs the true 6 Dec 2020). 0 printed-key corrections and 0 PICK-ONE, all decided by the assistant under the owner's 8 Nov 2026 delegation. RECONSTRUCTION CAVEAT (recorded openly): the reproduction is a candidate-recall reconstruction of the 20 November 2022 LAT, not an official HEC paper — HEC does not publish LAT papers after the test; lexacademy's own book note states every paper in it 'has been reconstructed from candidates who sat that session, so it reflects the pattern and the standard of the real paper rather than being an official HEC document'. The sitting itself is confirmed (see

ce above), the served set follows the official LAT section pattern exactly, and every answer below was checked independently of the printed key. This is the same standing as 37ac (LAT 4 Feb 2024), 37ly, 37lz, 37ma and 37nk–37no. All decisions by the assistant under the owner's 8 Nov 2026 delegation.
