Body: Higher Education Commission (HEC) · **Post:** Law Admission Test (LAT) · **Year:** 2024 · **Questions:** 75 in the original paper — **73 solved and verified**, 2 unrecoverable (Q74, Q75) · **Price:** Free

> **How to use this paper:** each question shows the stem, the four options, and the correct answer. Click “Why each option?” under a question to see all four options explained — one question teaches four topics. General Knowledge answers are as of the 2024 sitting.

Source note: Primary: lexacademy.com.pk quiz-view page, 'LAT Past Paper — December 15, 2024' (73 MCQs with four options and a marked key each, in the official section order — English 20, General Knowledge 20, Pakistan Studies 10, Islamic Studies 10, Mathematics 5, Urdu 8 — with no duplicates in numbering; accessed 11 Nov 2026; header total 73, Urdu short by 2). Second: pakmcqspoint.com PDF, 'LAT Paper 15-12-2024' (16 pp, Q1–Q73 with tick-marked keys, then Essay Topics and Personal Statement only; md5 75615a476c04bff1e708d38a0caacad2, identical to Wave 63's 9 Nov 2026 copy). Cross-check re-run 11 Nov 2026 (Wave 63's compare37no.py): Q1–Q65 keys agree on answer TEXT 60/65; the 5 differences are 4 normalisation artefacts (Antemortem/ante mortem; Shangai/Shanghai; 'X = 2'/'x=2'; Derawar/Drawbar text-layer typo) plus 1 genuine printed-key error (Q44). Urdu keys Q66–Q73 agree 8/8. The sitting is confirmed independently: the official HEC answer key form F-24-1186-LAT-151224 runs Q1–Q75. 1 printed-key correction and 1 PICK-ONE, all decided by the assistant under the owner's 8 Nov 2026 delegation: Q44 corrected B to D (PASSCO — the true expansion is 'Pakistan Agricultural Storage and Services Corporation'; none of A/B/C states it, so D 'None of these' is correct; the second source's ticked D option is a garbled rendering of the true expansion, confirming D is the right letter); Q69 PICK-ONE C (Urdu sentence correction; D also defensible). GAPS Q74–

re genuinely unrecoverable — both reproductions end at Q73, the LEX book contents list this sitting as 73 MCQs, guess-papers and latpreparation carry only stems+answers within Q1–Q73, legalversity has no 15 Dec 2024 page, and the official key gives letters only; recorded as 2 numbered excluded records. RECONSTRUCTION CAVEAT (recorded openly): the reproduction is a candidate-recall reconstruction of the 15 December 2024 LAT, not an official HEC paper — HEC does not publish LAT papers after the test. The sitting itself is confirmed (see above), the served set follows the official LAT section pattern (Urdu short by 2), and every answer below was checked independently of the printed key. This is the same standing as 37ac (LAT 4 Feb 2024), 37aib, 37aic, 37ly, 37lz and 37ma. HELD-FILE INTEGRITY FINDING: this paper was built FRESH from the Wave 63 lex parse (37no.json) with original explanations written this wave — the held file 37no-full-paper-hec-lat-2024-12-15.md does NOT reproduce this paper for Q1–Q50 (its English/GK/PS stems are a generic bank appearing in neither the lex parse nor the pakmcqs PDF nor the lex page as fetched fresh on 11 Nov 2026; held-vs-parse same-number exact 23/73, matching only Q51–Q73); the held file is left untouched for the coordinator to correct or void. All decisions by the assistant under the owner's 8 Nov 2026 delegation.
