Source note: lexacademy.com.pk quiz-view page, 'LAT Past Paper — August 24, 2025' (all 75 MCQs with four options, a marked key and a short explanation each, in the official section order — English 20, General Knowledge 20, Pakistan Studies 10, Islamic Studies 10, Urdu 10, Mathematics 5 — with no duplicates in numbering; accessed 9 Nov 2026; lexacademy paperId 4). Second source: the sitting is confirmed independently of the reproduction — HEC held the LAT on Sunday 24 August 2025 (ETC result cards are dated that day; HEC announced the result on 18 September 2025; official answer keys were issued in five booklet colours — Blue, Green, Pink, White, Yellow — for form F-25-1214-LAT-240825, listing Q1–Q75, which confirms the true MCQ total of 75). RECONSTRUCTION CAVEAT (recorded openly): the reproduction is a candidate-recall reconstruction of the 24 August 2025 LAT, not an official HEC paper — Lexacademy's own book note states plainly that HEC does not publish LAT question papers after the test and every paper has been reconstructed from candidates who sat that session. The sitting itself is confirmed (see second source), the served set follows the official LAT section pattern, and every answer below was checked independently of the printed key. This is the same standing as 37ac (LAT 4 Feb 2024), 37ly, 37lz and 37ma. All decisions by the assistant under the owner's 8 Nov 2026 delegation.
