Assistant Sub Inspector (BS-09), Punjab Police Department — 2011 · Solved Past Paper

Body: Punjab Public Service Commission (PPSC) · **Post:** Assistant Sub Inspector (BS-09), Punjab Police Department · **Year:** 2011 · **Questions:** 100 in the original paper — **49 solved and verified**, 51 unrecoverable (Q50, Q51, Q52, Q53, Q54, Q55, Q56, Q57, Q58, Q59, Q60, Q61, Q62, Q63, Q64, Q65, Q66, Q67, Q68, Q69, Q70, Q71, Q72, Q73, Q74, Q75, Q76, Q77, Q78, Q79, Q80, Q81, Q82, Q83, Q84, Q85, Q86, Q87, Q88, Q89, Q90, Q91, Q92, Q93, Q94, Q95, Q96, Q97, Q98, Q99, Q100) · **Price:** Free

> **How to use this paper:** each question shows the stem, the four options, and the correct answer. Click “Why each option?” under a question to see all four options explained — one question teaches four topics. General Knowledge answers are as of the 2011 sitting.

Source note: MCQ-AI reproduction of the 27 March 2011 sitting (51 items; the page states its options are written by its own team). Two later-added items removed, not filed: item 29 (2024 Paris Olympics) and item 33 (2012 Olympics phrased as past). No printed key needed correction. The testpointpk ASI '2011' set was rejected (three proven anachronisms; matches the PACE 2021 bank on 69/100 items) and the CSS-forum recall paste was rejected (sitting attribution not trusted). Dedup 13 Nov 2026 vs the live library and built files: no duplicate of this sitting found.

Question 1 Everyday Science

Which poisonous gas is present in the exhaust smoke of motor vehicles?

- A. Oxygen

- C. Carbon monoxide ✓ **Correct answer**
- D. Argon

A. Wrong: oxygen is not the poisonous gas in exhaust smoke.

Question 61

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 63

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 64

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 65

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found.

ble — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 66

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 67

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 68

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 69

No answer is given for this question, and none is taught. No stem, options or key for

appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 70

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 71

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 72

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 74

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 75

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 76

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found.

ble — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 77

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 78

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 79

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 80

No answer is given for this question, and none is taught. No stem, options or key for

appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 81

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 82

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 83

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 85

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 86

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 87

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found.

ble — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 88

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 89

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 90

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 91

No answer is given for this question, and none is taught. No stem, options or key for

carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 92

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 93

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 94

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 96

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 97

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 98

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found.

ble — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 99

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.

Question 100

No answer is given for this question, and none is taught. No stem, options or key for this question appear in any reproduction found: the MCQ-AI reproduction of this sitting carries 51 items, of which 2 are later additions and are removed (see the verification summary), and no other reproduction of the 27 March 2011 sitting was found. Unrecoverable — no answer asserted. Decided by assistant under owner's 8 Nov 2026 delegation.
