Source note: testpointpk reproduction of the same sitting (99 items in paper order with a key on each item). 2 printed keys corrected: Q14 prophets mentioned in the Quran 25 (printed B 26, filed A), Q36 immaculate means Pure (printed D 'Both B and C', filed B). 2 PICK-ONE: Q31 sound fastest in a solid medium, Q70 appellate court finally determines a case ('Both' also defensible). 2 DEFECTIVE-excluded: Q11 (NATO had 28 members in Jan 2011; 28 is not among the options), Q63 (both hematite and limonite are iron ores). The recall's English/Urdu/mathematics block was not filed (it also appears under the ASI header, so its sitting attribution is disputed).
