Source note: testpointpk reproduction, 'SPSC Assistant Paper 27 February 2024' (50 stems, each with 4 options and a printed key; Q7 and Q14 carry 5 options; paginated 5 x 10; direct-curl raw HTML). Second source (official): the SPSC Type D question paper itself (Q1-Q50) plus the photographed official Type D answer key — they confirm post, grade BPS-16, department, date, 1-hour duration and true total 50. One reproduction defect was fixed by a swap, decided by the assistant under the owner's 8 Nov 2026 delegation: the official Type D Q1 ('Who has written the book Das Capital?', answer Karl Marx) was missing and a foreign question stood at slot Q9; the foreign question was removed and the official Q1 put in at slot Q9. 1 PICK-ONE asserted (Q25); 1 printed key corrected openly (Q47, to Ahmed Aboul Gheit). Answers verified independently against reference facts, worked derivations and standard textbook rules, never from the printed key alone.
